State of New California

Grievance 65

Declaration of Grievance

Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI Section 2

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

OBEDIENCE TO THE ROGUE GOVERNMENT OF CALIFORNIA IS THE ORDER OF THE DAY

The California socialist governor the socialist mono party government along with socialist county, city officials and “Party” apparatchiks are now calling for absolute obedience as they engage in the destruction of the state of California.

The citizens of New California, being of clear conscience, do hereby state that obedience to the rogue government of California and its mono party socialistic and globalist apparatus and continued obedience and loyalty to the United States of America and its Constitution are mutually exclusive. We therefore, by means of this grievance declare our loyalty establish and remain a free state within this Union apart from the globalist tyrannical dictatorship that now occupies the seats of power in present day California.

HUMAN RIGHTS ABUSES

The socialistic mono party government apparatus that has now consolidated its power in California, and which operates outside the limitations of constitutional government with its attendant checks and balances, has subjected the welfare of the citizens and their individual rights to collectivist, socialism, and dictatorial totalitarian policies designed to engineer a society that is post-American and that is globalist in loyalty and idealism.

This has occurred without a vote and without constitutional deliberation, and indeed, this form of subjection is being forced upon the citizens of California and the structure of this global neo-socialistic government are being erected in all spheres of civil society controlled by the rogue California government.

The values of this system include de-population through vaccines, abortion, elimination of the man-woman marriage, ethnic cleansing, displacement of populations and their removal from rural areas, and elimination of private property and individual rights, slavish collectivism, scape-goating, bullying, and persecution of those who don't line up with “the party”.

We, the citizens of New California support loyalty to the sovereign nation-state of the United States of America and are unwilling to relinquish our citizenship, with its guarantees of individual liberties and replace it with socialistic collectivism and its inherent human rights abuses.

OBEDIENCE TO THE ROGUE GOVERNMENT OF CALIFORNIA

IS DISOBEDIENCE TO THE UNITED STATES OF AMERICA AND THE UNITED STATES CONSTITUTION

**NEW CALIFORNIA STATE WILL NOT TOLERATE THE
RISE IF THE TOTALITARIAN.**

Insurrection

The government of California, the current governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in ***acts of insurrection*** against the U.S. Constitution.

The **Insurrection Act of 1807** is a [United States federal law](#) that governs the ability of the [President of the United States](#) to deploy [military troops](#) within the [United States](#) to put down lawlessness [insurrection](#), and [rebellion](#).

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.
