Grievance 36

September 24, 2018

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Article IV Section 3 United States Constitution states:

New States may be admitted by the Congress into this Union; but no new States shall be formed or erected within the [Jurisdiction](#) of any other State; nor any State be formed by the Junction of two or more States, or parts of States, without the Consent of the Legislatures of the States concerned as well as of the Congress.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States”.

**New California Declaration of Independence of
January 15, 2018 states:**

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

So it is the history of the past and present Governor and Government of California who have a history of repeated injuries and usurpations, all having in direct Object the establishment of a Tyranny over the Counties of New California and the State of California.

Whenever any Form of Government becomes destructive of these ends, it is the Right of the People to seek a constitutional remedy to the abuse of powers”.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity, seek a republican form of government, protection against foreign invasion and domestic violence guaranteed by Article 4, Section 4 of the United States Constitution, and all privileges and immunities of citizens in the several states guaranteed by Article 4, Section 2 of the United States Constitution, ordain and establish New California as a fully vested State of the Union of States in the United States of America.

First Amendment of the United States Constitution states:

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to

petition the government for a redress of grievances.

Therefore the Counties of New California bring forward 40 Grievances against the government of California to be announced in public on Tuesday at 11:00 am each week for 40 weeks.

State of New California

Grievance 36

Statement of Facts

The people of California are suffering from a tyrannical communist state government which fails to provide a republican form of governance, enables and supports across it's southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America. All caused by a government of and for a mono party system lead by a tyrannical dictator.

Declaration of Grievance

United States Constitution Article VI Section 2 States:

"This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding."

DE FACTO SECESSION HAS ALREADY OCCURRED

The withholding of support, the lack of cooperation, and the outright defiance toward federal authorities with reference to our national border security and our common defense is prima facie evidence the rogue communist mono party government has now consolidated its power in Sacramento and has functionally seceded from the Union of States of the United States of America. This de facto secession places the Citizens of all

California at risk, and this is of utmost concern to the patriotic and independent Citizens of New California State.

DE FACTO ACT OF WAR AGAINST U.S. CITIZENS

There exists de facto acts of war in California, and the Citizens of New California State do appeal to the federal authorities, in citation of Article VI, Section 2 the of the U.S. Constitution the supreme law of the land, to intervene and remedy this grievance and recognize our Statehood in the Union of States in the United States of America.

OBEDIENCE TO THE ROGUE GOVERNMENT OF CALIFORNIA IS DISOBEDIENCE TO THE UNITED STATES AND THE CONSTITUTION OF THE UNITED STATES

The Citizens of New California, being of clear conscience, do hereby state that obedience to the rogue government of California and its mono party communistic and globalist apparatus and continued obedience and loyalty to the United States of America and its Constitution are mutually exclusive. New California State therefore, by means of this grievance declare our loyalty to the United States of America and affirm our allegiance and commitment to establish and remain a free State within this Union apart from the globalist tyrannical dictatorship that now occupies the seats of power in present day California.

CONSPIRACY TO CREATE AN ADMINISTRATIVE STATE AND FUNCTIONARY OF THE UNITED NATIONS

The rogue communistic government of California, in direct violation of its constitutional obligations, has subordinated and subjected the government of California citizens to the will of foreign governments and monetary interests by treaties and agreements without the consent of the governed and without referendum, which has been now effectively supplanted by the administrative state that has been built upon communist and dictatorial principles. The United Nations agenda is contrary to the will and the general welfare of the citizens of rural New California State, and indeed is at enmity with them and their way of life. By this means, the rogue government of California has circumvented the constitutional mandates and trust bestowed upon it by the People.

It is clear the communist California government and the current *communist* governor have fostered, supported, legislated, enacted and enforced unconstitutional laws and regulations in direct violation of Article VI Section 2 known as the “Supremacy Clause”.

Illegal Acts and Tactics

Utilizing *Marxist-Leninist* and *Maoist revolutionary tactics* the communist California governor, mono party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California and breakdown the sovereignty of the Union of the United States of America.

Acts of Secession

Therefore the California communist government in conjunction with the communist state executive, instituted wherever the current communist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting communist governor of California the mono party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

This concludes these proceedings.
