## Declaration of Grievance

## Statement of Facts

The people of California are suffering from a tyrannical communist state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

**California State Government is in  
Direct Violation of the Following:  
United States Constitution Article IV Section 4**

***"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."***

**CALIFORNIA STATE CONSTITUTION**  
**ARTICLE I DECLARATION OF RIGHTS [SECTION 1 - SEC. 32]**  
*( Article 1 adopted 1879. )* **[SECTION 1.](#)**

***All people are by nature free and independent and have inalienable rights. Among these are enjoying and defending life and liberty, acquiring, possessing, and protecting***

**property, and pursuing and obtaining safety, happiness, and privacy.**

## **MASS VOTER FRAUD IS NOW THE ORDER OF THE DAY**

The California communist governor the mono-party government along their associates at the county and city levels are engaging in mass voter fraud on a scale never before seen in either California or United States history.

### **VOTER INTIMIDATION**

Intimidation of voters in California is now a policy decision by the mono-party tyrants controlling the government and institutions of California. Intimidation is experienced at work, in the schools, and in the open marketplace. Voter intimidation also occurs by means of labor unions that collude with the mono-party system to which they are beholding.

### **BALLOT HARVESTING**

A recent article in American Thinker regarding the 2018 election brings to light ballot harvesting. Illegal almost everywhere in the world it is a legal activity in communist California. From American Thinker:

*“California,.....back in 2016, passed AB1921, a law that actually permits it. Anyone can turn in ballots now, no questions asked, no chain of custody required. Back at the time, Democrats were hollering about low turnout and how getting more turnout was a priority, even though they were running a one-party state at that time, as they are now. They painted themselves as all concerned about ‘democracy’ given the low rates of turnout in their districts, many of which were known as ‘[rotten boroughs](#)’ full of non-citizen voters. But what they really had in mind was ‘ballot harvesting.’ Most of the attention at the time from Republicans was focused on the involuntary registration of voters through the [Department of Motor Vehicles](#), which has led to [what was feared](#): the registration of illegal immigrants. But the bigger thing was going on on the outside, with the mail-in ballots nobody asked for and the apparent real purpose for these unasked for and unwanted ballots, which was ... ballot-harvesting.*

*The picture emerging from California’s election is grotesque. How again did Democrats engineer their strange midterm victory in Orange County and in other traditionally Republican areas? In that election, apparently-winning Republican candidates were all unseated as the ballots just kept arriving, and arriving, and arriving, until the results flipped. Each and every time. And no such flips happened for Republicans, just Democrats, after Democratic operatives had enough information from televised results to know that Republicans were winning. Democrats say it’s just ‘counting all the votes.’*

## FRAUDULENT ELECTIONS

Communist activism, community organizing, and organized crime, combined with the mono-party tyranny present throughout the areas under control of the mono-party California government have assured that the ballot booth is exercised by non-citizens, felons, and imposters. This is all done with impunity and with the sanctioned protection of the mono-party communist apparatus. Despite being well-documented for decades, there has been no effort on the part of the state to secure our ballot booths, verify that imposters do not usurp the vote, and convict offenders.

## Insurrection

The government of California, the current governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in *acts of insurrection* against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

## Illegal Acts and Tactics

Utilizing *Marxist-Leninist* and *Maoist revolutionary tactics* the communist California governor, mono-party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California and breakdown the sovereignty of the Union of States of America.

## Acts of Secession

Therefore the California communist government in conjunction with the communist state executive, instituted wherever the current communist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

## Abdication of Authority

Betrayal by the sitting communist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

## Prayer

**The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.**
