State of New California

Grievance 52

Declaration of Grievance

Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a monopoly system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI Section 2

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

“TARGETING” LAW ENFORCEMENT IS NOW THE ORDER OF THE DAY

All law enforcement officers in California are now targeted for death. California’s tyrannical governor the mono-party government along with their associates at the county and city levels have painted targets on the chests of California’s law enforcement in their quest to make the state the most lawless and tyrannical government of any state in the Union of States. U.S. Citizens and their law enforcement protectors have been denied their Constitutional Rights under Article IV, Section 4 and Article VI, Section 2 of the U.S. Constitution by the state of California in an attempt to destabilize civil society.

Article IV, Section 4 is known as the “Guarantee Clause” of the U.S. Constitution. The State and Federal Governments MUST provide to the Citizens of the United States the three elements of Article IV, Section 4.

1. Republican form of government: 2. Protect each of them against invasion: 3. Protection against domestic violence:

Article VI, Section 2 Supremacy Clause is the Article in the U.S. Constitution that binds the Union of States together it is:

The supreme Law of the Land:

In the last month the Citizens of California have buried two of their finest law enforcement officers following two senseless killings. The murders of Newman, CA Corporal Ronil Singh and Davis, CA Officer Natalie Corona occurred in a lawless state environment in which sanctuary status and general lawlessness and criminal behavior is “legalized” by government apparatus.

California’s constitution has been modified over 530 times since its adoption in 1879. Modifications to the constitution include propositions to redistrict state assembly, senate and federal seats to the house of representatives, top two candidates primary system, eleven month legislature and the system to limit the terms of office for state legislators and the governor.

These major modifications to the California constitution have over the past 50 years created a totalitarian governance system conducive to corruption and lawlessness from the state capital to the smallest of municipalities. Combined with “soviet” style regionalism and the rise of the [bureaucratic](#) establishment have opened the door to corruption on a scale never before seen in United States history.

The corruptors who have opened the door have invited criminals from all over the world to create lawlessness against the Citizens of the United States living in California. Now these same international corruptors are targeting California law enforcement officers tasked with protecting and serving their communities.

Utilizing the mechanisms of the corrupted state government, laws enabling criminal cartels have been put in place that force law enforcement agencies and their officers actively to expose themselves and the Citizens of the United States living in California to life threatening circumstance.

Insurrection

The government of California, the current governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in ***acts of insurrection*** against the U.S. Constitution.

The **Insurrection Act of 1807** is a [United States federal law](#) that governs the ability of the [President of the United States](#) to deploy [military troops](#) within the [United States](#) to put down lawlessness [insurrection](#), and [rebellion](#).

Illegal Acts and Tactics

Utilizing *Marxist-Leninist* and *Maoist revolutionary tactics* the California governor, mono-party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California and breakdown the sovereignty of the Union of States of America.

Acts of Secession

Therefore the California government in conjunction with the communist state executive, instituted wherever the current communist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting communist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings. *newcaliforniastate.com* (877) 828 2753
