CALIFORNIANS!

Grievance 62

April 2, 2019

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

**New California Declaration of Independence of
January 15, 2018 states:**

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their right, it

is their duty, to throw off such Government, and to provide new Guards for their future security.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

The Counties of New California bring forward 95 Grievances to be announced in public on Tuesday at 11:00 am.

State of New California

Grievance 62

Declaration of Grievance

Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI Section 2

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

VACCINE ABUSE IS THE ORDER OF THE DAY

The California socialist governor the socialist mono party government along with socialist county, city officials and “Party” apparatchiks have now set the stage to destroy the lives of millions of children of United States Citizens living in California through vaccines.

The corrupt tyrannical socialist state legislature makes laws and these are signed by the California socialist governor without any respect or regard for parents rights and what parents want for their children. This has turned California into a medically fascist state where parents have lost their parental rights and right to practice religious freedom.

Currently, the state is proposing another vaccine law, SB 276, to completely void all medical exemptions, including patients undergoing chemotherapy. This law negates any contradictive information or possible reactions and will completely eliminate vaccine medical freedom while violating informed consent.

Current law requires informed consent to be given prior to any medical procedure yet in reality medical decisions are left to arbitrary health officials without parental consent or consultation.

SB 276 negates any contradictive information or possible reaction such as seizures, cancer, brain damage, possible death and or allergies. Vaccine inserts are given only after the vaccine has been administered and only if requested as the insert states yet not all vaccines have been tested or evaluated for causing cancer or infertility.

The collusion between the socialist California government and corporations are robbing Californians of their rights. Vaccines may cause brain damage to the point that United States Citizens living in California cannot marry, drive a car, hold a job, have any independence; all this being done in the first week of life.

Current autism, otherwise known as vaccine induced brain damage, is now 1 in 36 children ages 4 thru 17. The rate in the 70’s was 1 in 15,000 children of the same ages. By 2025, it is expected that 1 in 2 boys will be vaccine brain damaged, and by the year 2032, 1 in 2 girls will be autistic.

Doctors who treat families of children with vaccine injury know the complex medical and family history of each child best. An arbitrary health official, who has never even met the child, cannot possibly have enough background or knowledge of the particular case to decide whether a medical exemption is necessary or valid

for that family. Vaccination is a complex medical intervention -- one that requires thorough and extensive knowledge on specific vaccine ingredients, immune response, and the potential for harm based on the genetic susceptibility, current health status, and family history of the child (as specified in SB 277).

SB 276 is causing families to flee California as they don't want possible complications such as a brain damage to their children. This is not freedom but just one more form of tyranny Californians are having to endure by a socialist government.

NEW CALIFORNIA STATE WILL NOT TOLERATE THE RISE IF THE TOTALITARIAN.

Insurrection

The government of California, the current governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in ***acts of insurrection*** against the U.S. Constitution.

The **Insurrection Act of 1807** is a [United States federal law](#) that governs the ability of the [President of the United States](#) to deploy [military troops](#) within the [United States](#) to put down lawlessness [insurrection](#), and [rebellion](#).

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities of authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings. newcaliforniastate.com (877) 828 2753
