Grievance 71

June 4, 2019

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

**New California Declaration of Independence of
January 15, 2018 states:**

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their right, it

is their duty, to throw off such Government, and to provide new Guards for their future security.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Declaration of Grievance

Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI Section 2

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

TAXATION WITHOUT REPRESENTATION IS THE ORDER OF THE DAY
No taxation without Representation." The inception of this slogan cultivated what is known today as the American Revolution; a direct result of taxes on goods such as stamps and sugar, which was illegal under the

English Bill of Rights.

During the time of the American Revolution, 1 in 20, or 5 percent, of British citizens were represented in parliament, none of whom lived in the 13 original colonies of the United States.

In 2019 the socialist California mono party legislature can pass any tax they wish at any time at the request of anyone who curies their favor and the United states Citizens living in California can do nothing to stop the taxation. Supported by an 11 month legislative cycle and a socialist governor who's willingness to tax people, corporations and spend the state into totalitarianism.

California's socialist legislators are proposing new taxes and fees on soda, tire changes, dialysis clinics, lead-acid batteries, drinking water, firearms, oil and gas severance tax, taxes on medical, real estate, and other professional service; and a split role property tax increase.

Surely there are much more important issues, given California's epidemic of, poverty, homelessness, affordable housing, sexism, drug-addiction, criminal justice, under-employment, health disparity, excessive taxation, human trafficking, looming recession and a population explosion.

But NO. Now the California socialist Senate and Assembly approved bills to expand state-funded health care for low-income adult undocumented immigrants. Children already are covered. Another bill would cover undocumented immigrants ages 19-25 and 65 and older.

As California is transformed from a republic into a socialist state only knowledge of history and vigilance will note significant changes as they occur.

As the frog thrown into a pan of cool water never jumps out as the water is brought to boil, so humans typically fail to recognize the death of a nation's founding principles.

As James Madison, in 1788 stated:

“There are more instances of the abridgement of the freedom of the people by gradual and silent encroachments of those in power than by violent and sudden usurpations.” —

Article IV, Section 4 states: "***The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.***"

In the words of the Declaration of Independence, governments derive "their just powers from the consent of the governed." Without that consent, governments are tyrannies, unjustly handing out penalties — or sweetheart deals — with the stolen power they have seized by force or manipulation. So it is in California.

**OBEDIENCE TO THE ROGUE GOVERNMENT OF CALIFORNIA IS
DISOBEDIENCE TO THE UNITED STATES CONSTITUTION**

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in ***acts of insurrection*** against the U.S. Constitution.

The **Insurrection Act of 1807** is a [United States federal law](#) that governs the ability of the [President of the United States](#) to deploy [military troops](#) within the [United States](#) to put down lawlessness [insurrection](#), and [rebellion](#).

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.
