Grievance 84

September 3, 2019

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

**New California Declaration of Independence of
January 15, 2018 states:**

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their Right,

it is their Duty, to throw off such Government, and to provide new Guards for their future security.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

The Counties of New California bring forward 95 Grievances to be announced in public on Tuesday at 11:00 am.

State of New California

Grievance 84

Declaration of Grievance

Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

ORDER OF THE DAY

ROAD TO PURE DEMOCRACY

California's mono-party political machine, its socialist Governor, along with communist state legislators, socialist elected officials, agencies, and unelected regional governance boards, are colluding to create a Communist California state in direct violation of both Article IV, Section 4 and Article VI of the United States Constitution.

There are several court decisions and amendments to the California constitution that have had over the years the net effect to move California toward a complete and full democracy and away from a republican form of government. The pattern and the timing of these events are by design.

1964 Reynolds v. Sims

In Reynolds v Sims the impact on a state's basic sovereign structure known as a "county" was all but destroyed.

In Reynolds v Sims the court decided to make state senators represent by population in the same way as the state assembly or house representatives represent by populations.

*In 1964 Senator [Everett Dirksen](#) of [Illinois](#) stated about Reynolds v Sims:
"Under the Court's new decree, [California](#) could be dominated by [Los Angeles](#) and [San Francisco](#); [Michigan](#) by [Detroit](#)".*

1966 Proposition 1A, "Constitutional Revision Amendment" 1A

This is the "professional" legislative proposition. The legislature which was originally bound to meet by the 1879 California constitution every 2 years and for 60 days duration was ultimately changed by Proposition 1A in 1966 to: "***Under Proposition 1A, the Legislature would meet in annual general sessions, unlimited as to duration and unlimited as to subjects that could be considered***".

Today California's legislature meets every year for 11 months with no restrictions.

1990 Term Limits, Proposition 130

In Proposition 130 it states: "***Persons elected or appointed after November 5, 1990, holding offices of Governor, Lieutenant Governor, Attorney General, Controller, Secretary of State, Treasurer, Superintendent of Public Instruction, Board of Equalization members, and State Senators, limited to two terms;...***"

Note: There was one governor who had already had two terms in office and was still eligible by Proposition 130 for two more full terms since he finished his second term in office in 1983 that was Jerry Brown who became governor in 2011 for 8 more years.

2008 Proposition 11, Creation of the Citizens Redistricting Commission

Proposition 11 was supported by the California GOP and funded by several members of the Republican Party.

2010 California Proposition 20, Congressional Redistricting

Proposition 20 is the federal companion the 2008 Proposition 11. Proposition 11 and 20 were both supported by the California GOP and funded by several members of the Republican Party.

SOME OF THE "PUBLIC" MEETINGS OF THE COMMISSION HAVE BEEN HELD IN MEXICO.

2010 California Proposition 14, Top-Two Primaries Amendment

Proposition 14 established a top-two primary system in California. A top-two primary is a type of primary election in which all candidates are listed on the same primary ballot. The top two vote-getters, regardless of their partisan affiliations, advance to the general election.

Combined the above propositions and the 1964 Supreme Court decision of Reynolds v Sims, Proposition 14 has all but eliminated the multi party political system in California thus destroying the state's "republican" form of government.

California has taken the Road to Pure Democracy and Away from Republican Governance

The reality check for the California communist state legislature and the socialist governor is that they legislate new laws that make legally abiding citizens into felons, force oppressive regulations and change the California constitution to encourage lawlessness while pandering to criminal cartels.

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in acts of insurrection against the U.S. Constitution.

The **Insurrection Act of 1807** is a [United States federal law](#) that governs the ability of the [President of the United States](#) to deploy [military troops](#) within the [United States](#) to put down lawlessness [insurrection](#), and [rebellion](#).

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.

**This concludes these proceedings.
