# Grievance 25

## Statement of Facts

The people of California are suffering from a tyrannical communist state government which fails to provide a republican form of governance, enables and supports across it's southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America. All caused by a government of and for a mono party system lead by a tyrannical dictator.

## Declaration of Grievance

United States Constitution Article IV Section 4 States in part:

***The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.***

### **Failure of the government of California to protect against invasion and domestic violence**

The communist California governor, the communist mono party system and local communist officials have engaged in a systemic program to insure ethnic cleansing of United States Citizens living in the State of California.

**Ethnic cleansing** is the process of using violent methods to force certain groups of people out of a particular area or country.

Guidance documents from past administrations related to the Immigration and Nationality Act have been improperly utilized by the communist California governor, the communist mono party system, local communist officials and political elites to single out California Citizens of all racial, ethnic groups, ages and orientations to prevent them from obtaining the educational, economic and Natural Rights afforded to them by the California and United States Constitution and the Bill of Rights.

Giving preferential treatment for illegal foreign nationals in state and local government jobs, welfare benefits, drivers licenses, voting privileges, economic advantages, enrollment in public colleges and universities, the communist California governor, the communist mono party system, political elites and local communist officials have created a cast system where illegal foreign nationals have become a replacement population for United States Citizens living in California.

Over the past eight years the net effect of *California cleansing* by the communist California governor, the communist mono party system and local communist officials has been to displace and replace United States Citizens in California in all strata of civil society with illegal foreign nationals.

*California cleansing* has been economically, culturally and socially divesting on United States Citizens living in California forcing their flight from the state and creating a homeless population never before seen in California state history. The cities of San Francisco, Los Angeles, Oakland and Sacramento have become the symbols of *California cleansing* by the communist mono party system of government.

*California cleansing* is no different from all other ethnic cleansing used by totalitarian despots seen around the world for thousands of years. The history of ethnic cleansing and California cleansing now being utilized by the communist California government can only lead to forced expulsion and mass execution of American Citizens.

Utilizing *Marxist-Leninist* and *Maoist revolutionary tactics* the communist California governor, mono party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California and breakdown the sovereignty of the Union of the United States of America.

### **Acts of Secession**

Therefore the California communist government in conjunction with the communist state executive, instituted wherever the current communist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which gives Us our **Liberty and Freedom**.

### **Abdication of Authority**

Betrayal by the sitting communist governor of California the mono party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

**This concludes these proceedings.**
