## Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

# ORDER OF THE DAY

# NO

# BAILOUT

*We*, the People, of the Unified Counties of New California seek the removal of the California state GOVERNOR. *We* are determined to stop the “one man rule” of a *pusillanimous* craven dictator whose words and actions are a grave danger to all U.S. Citizens living in California. California is entering its ninth month of the dictator’s ordered lockdown under the COVID-19 pandemic. There is NO end in sight.

Last week the governor was taken to court to end the tyranny being foisted upon the Citizens of the United States living in California state. There is yet to be a decision rendered by the court even though there was one indicated by the judge in a “couple of days”.

Assembly Member Kevin Kiley wrote after the trial:

***“Our trial against Governor Newsom has just concluded, and the Judge said she will issue a ruling ‘in very short order,’” “That probably means by the end of the week.”***

Kiley and Gallagher argued that California’s Constitution has an explicit separation-of-powers provision, which Gov. Newsom has violated. ***“A California Governor is constitutionally forbidden from doing the very thing Gov. Newsom has done here: exercise legislative powers.”***

***“I’m not sure that the governor’s attorneys really provided any legal argument to defend his conduct,” he said. “So I hope it will be an important moment for our state in putting an end to this idea that we can have an autocracy for 8 months with no end in sight.”***

With no decision by the court there is another “delay” which translates into “the tyranny of one-man rule continues”.

Given the behavior of the judge during the trial this should not be a surprise. It was clear the judge had NO grasp of the constitutional argument being laid down by Assembly Members James Gallagher and Kevin Kiley. The judge appeared by those in the court and those watching on facebook to be “straining” for understanding of the constitutional basics of separation of powers.

After nine months of dictatorial rule there is an additional delay by a California judge.

Delay for the governor is good. The governor remains in “power” by way of the “Emergency Services Act” and he is able to continue the “*distraction*” away from California’s real problem “*insolvency*” an issue that will destroy California.

In May 2020 *New California State* reported California had a cash deficit of over \$85 billion. The California’s Legislative Analysts Office (LAO) agreed! Today that deficit number has grown to over \$120 billion. The governor is doing nothing but keeping businesses and communities closed. It appears the governor’s only hope is with his *Auntie*’s attempts to get a federal bail out.

In the past California was able to get bailouts when it filed bankruptcy in 1935, in 2000 it had a \$14 billion cash deficit and in 2010 a \$42 billion cash deficit. These bailouts were from democratic administrations.

In 2020 there’s a new Republican administration and it sees California’s cash deficits differently as recent posts on twitter reveal.

*“President Donald Trump on Wednesday said he didn't "see any way" Democrats and Republicans would agree on a deal for coronavirus relief, despite House Speaker Nancy Pelosi remaining optimistic about finalizing a stimulus package before Election Day.*

*In a tweet Wednesday, he tried to pin the blame for a deadlock in spending discussions on Pelosi and Senate Minority Leader Chuck Schumer. Pelosi is proposing a \$2.2 trillion package, while the Trump administration is offering \$1.88 trillion — though Trump has said he'd like an even bigger deal than what Pelosi has offered.*

*"Just don't see any way Nancy Pelosi and Cryin' Chuck Schumer will be willing to do what is right for our great American workers, or our wonderful USA itself, on Stimulus," the president [posted on Twitter](#).*

*"Their primary focus is BAILING OUT poorly run (and high crime) Democrat cities and states," he said. This most likely refers to the money Democrats want for state and local governments, which have seen tax revenue plummet as economic activity slowed during the pandemic”.*

New Californian’s nor the President of the United States will be distracted.

Today the California governor’s words and actions are a grave danger to all U.S. Citizens living in California while the state continues to operate outside the authorities of the U.S. Constitution.

For New Californian’s its our **GOD** given “*Right it is our Duty*” to protect our Declaration of Independence, our Constitution and our Bill of Rights with all means necessary from a craven dictator. *New Californians will NOT comply.*

We request the **President of the United States** act immediately to remedy these abuses by the California state and “Declare a State of Insurrection” exists in California.

# Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “Acts of Insurrection” against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

## Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “Acts of Secession” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

## Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “Abdication of their Responsibilities of Authority and Sovereignty” over the Citizens of the United States living in California State.

## Prayer

**The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 or the *Emergency Economic Powers Act* to end the tyranny being foisted upon the United States Citizens living in California State.**

This concludes these proceedings.
