

State of New California
Chapter II
Grievance 32
Declaration of Grievance Statement
of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

**California State Government is in
Direct Violation of the Following:**

United States Constitution Article IV Section

4

“The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.”

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.”

Fourteenth Amendment, US Constitution

Section 1. All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of

law; nor deny to any person within its jurisdiction the equal protection of the laws.

Section 3. No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.

ORDER OF THE DAY HEARINGS FOR HIGH CRIMES

We, the People, of the Unified Counties of New California seek the removal of the California state GOVERNOR. We are determined to stop the “one man rule’ of a ***pusillanimous*** craven dictator whose words and actions are a grave danger to all U.S. Citizens living in California.

Crimes against ***We the People*** and have been committed by people in high places. Justice is coming. ***We the People*** will not accept the guilty going unpunished. Some highly embarrassing moments are coming for those in public office. It is hereby suggested for all corrupt politicians to turn themselves in now or face the extreme consequences that they justly deserve. You may signal your cooperation by negotiating with the ***We the People*** of New California. The light is about to shine. You will be routed out.

On October 16, 2018 in Grievance 39 New California State gave a clear warning to the state and the nation with the following:

Voter Intimidation

It is evident for all to see that the intimidation of voters in California is now a policy decision by the mono party tyrants controlling the government and institutions of California. Intimidation is experienced at work, in the schools, and in the open marketplace.

Voter intimidation occurs also by means of labor unions that collude with the mono party tyranny to which they are beholden. Voter intimidation is not tolerable by the citizens of New California and such behavior left unopposed by the tyrannical government in Sacramento is provocative and dangerous to the public safety and indeed the union of the United States of America. This abuse of power has made California a place where the First Amendment is openly defied.

Fraudulent Elections

Communist activism, community organizing, and organized crime, combined with the mono party tyranny present throughout the areas under control of the mono party California government have assured that the ballot booth is exercised by non-citizens, felons, and imposters. This is all done with impunity and with the sanctioned protection of the mono party communist apparatus.

Despite being well-documented for decades, there has been no effort on the part of the state to secure our ballot booths, verify that imposters do not usurp the vote, and convict offenders of this, our sacred institution, paid for dearly with the blood of patriots and citizens.

We, the citizens of New California can no longer submit to fraudulent elections engineered for our own demise. Such an action would be morally repugnant and indeed traitorous.

We, the citizens of New California, therefore declare that elections will be conducted in the State of New California with voter authentication and the absence of voter intimidation. To accomplish this end, the independence of the State of New California is morally imperative.

Deprived of legitimate representation, independent elections and independent government are the only way for the citizens of New California to exercise their first amendment rights as regards the vote. We, the citizens of New California will not wait for election results to

determine our own destiny. Self-determination and self-governance mandates statehood of the rural counties that comprise the State of New California.

On November 31, 2020 we are now discovering the extent of the massive voter fraud that we in New California State were grieving in Chapter 1, Grievance 39 on October 16, 2018 with the massive voter fraud that has been unleashed nationally. Yes the massive national fraud had its origins in California where for the last 20 years our elections have been controlled by the likes of Dominion, Smartmatic, Sequoia and other computer driven election fraud machines and software. Now the truth is coming out and will be revealed to the entire world. Those that have given ***We the People*** this fraud be warned.

Crimes

Crimes against ***We the People*** have been committed and they have been committed by people in high places. Justice is coming. ***We the People*** will not accept the guilty going unpunished. Some highly embarrassing moments are coming for those in public office. It is hereby suggested for all corrupt politicians to turn themselves in now or face the extreme consequences that they justly deserve. You may signal your cooperation by negotiating with the ***We the People*** of New California. The light is about to shine. You will be routed out.

High Crimes

Public officials, ELECTED OR APPOINTED, who are involved in the certification of fraudulent ballots,

corrupting the integrity of our elections and providing aid and comfort to those who have rigged our elections is a **HIGH CRIME. Crimes committed by public officials who have sworn the Oath of Office are HIGH CRIMES.** The gravity of these crimes stems from the trust they hold in public office and the punishment for such crimes is more severe than would otherwise be the case if such crimes were committed by ordinary citizens.

High Crimes can also be committed by County Supervisors or any other public official holding an office of trust of the citizens.

Treason By Public Officials

The founders of our republic were very lenient concerning the definition of treason, since the accusation of treason was something they, themselves were subject to under British tyranny, however Article III, Section 3 states "Treason against the United states, shall consist only in levying War against them, or in adhering to their Enemies, giving them Aid and Comfort". This crime carries with it the most severe penalty allowed by law. Sufficient and overwhelming evidence is being produced which proves beyond the shadow of a doubt that those involved in fraudulent elections IN CALIFORNIA have provided aid and comfort to enemies of the United States.

Sedition

Sedition is defined as incitement of resistance to or against lawful authority. The commission of this crime by public officials in any capacity is also a high crime.

18 U.S. Code Chapter 115 articulates the penalties for these and similar crimes, WHICH HAVE BEEN COMMITTED BY PUBLIC OFFICIALS IN CALIFORNIA.

Hearings

We the people demand public hearings by a “Citizens Commission” to determine the extent of the voter fraud committed by the California state criminals who are seeking to destroy the United States of America.

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in "***Acts of Insurrection***" against the U.S. Constitution.

The **Insurrection Act of 1807** and the ***Emergency Economic Powers Act*** are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness, insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state governor/dictator has usurped power and has actively engaged in "***Acts of Secession***" and created a reign of terror on United States Citizens living in

California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of "***Abdication of their Responsibilities of Authority and Sovereignty***" over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 or the *Emergency Economic Powers Act* to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings.
