Grievance 33

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent:

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

**New California Declaration of Independence of
January 15, 2018 states:**

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, **it is their Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.”*

Preamble of the New California State Constitution states:

*We, the representatives of the undersigned Counties within the State of California, **do acknowledge and humbly invoke the favor of Almighty God for the continued civil and religious liberty to ourselves and our posterity....***

First Amendment of the United States Constitution states:

Fourth Amendment of the United States Constitution states:

"The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized."

NEW CALIFORNIA

**State of New California
Chapter II**

Grievance 33

**Declaration of Grievance Statement
of Facts**

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who

commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section

4

“The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.”

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

**First Amendment, United States
Constitution**

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.”

Fourteenth Amendment, US Constitution

Section 3. No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.

ORDER OF THE DAY

HEARINGS FOR COLLABORATORS

We, the People, of the Unified Counties of New California seek the removal of the California state GOVERNOR. We are determined to stop the “one man rule’ of a ***pusillanimous*** craven dictator whose words and actions are a grave danger to all U.S. Citizens living in California.

To the astonishment of the entire on looking world, corrupt politicians and enemy collaborators are engaged in a coordinated plot to overthrow not only free elections in the United States, but the United States itself as a republic.

California is the epicenter of this activity and has been the proving ground for the means and methods that are now being employed by leftists nationwide to steal elections all across the nation, thus far with impunity. Dismantling of the Deep State must begin here, with the creation of the 51st State - New California. We will excise the cancer of corrupt politics that threatens not only to destroy this state, but our entire nation. Wherever this corruption is found, and regardless of party affiliation, it will be routed out.

Collaborator: (Merriam-Webster) a) someone who works with another person or group; b) someone who

assists an enemy (such as an invader or an occupying force)

e.g. "the Germans had allies and collaborators who, whether from conviction or perceived necessity, sought a privileged place in Hitler's New Order" - Robert Skidelsky

California's corrupt politicians have put their names and signatures to the fraudulent ballots harvested by their fellow communist collaborators, and in so doing have become participants in insurrection, rebellion, and treason. Evidence is mounting that their ties to China and its global communist insurrection against legitimate governments are substantial and that they are financial as well as ideological and that the warfare that is being waged upon us is of a cyber warfare nature as well as involving espionage, sabotage, and recruitment by foreign enemies and their networks of organized conspirators.

The tyranny that California is suffering under is as great as what the Colonies were subject to under King George, which precipitated the throwing off of that tyrannical government and the creation of our own Union of States in order to secure the liberties which are inherent in all human beings, by virtue of the nature of their creation by the Creator.

We the People do hereby revoke the signatures of these criminals who feign to represent us and we will have

our day in court. Justice will be served.

NEW CALIFORNIANS LEAD THE NATION IN PETITIONING THE FEDERAL GOVERNMENT TO RECOGNIZE THE INSURRECTION THAT IS UNFOLDING BEFORE US AND TO USE THE TOOLS AND DEVICES OF MODERN WARFARE TO COMBAT THESE THREATS, INCLUDING THE USE OF MILITARY TRIBUNALS.

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in "***Acts of Insurrection***" against the U.S. Constitution.

The **Insurrection Act of 1807** and the ***Emergency Economic Powers Act*** are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness, insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state governor/dictator has usurped power and has actively engaged in "***Acts of Secession***" and created a reign of terror on United States Citizens living in

California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of "***Abdication of their Responsibilities of Authority and Sovereignty***" over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 or the *Emergency Economic Powers Act* to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings.
