NEW CALIFORNIA

**State of New California
Chapter II**

Grievance 40

**Declaration of Grievance Statement
of Facts**

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who

commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

“The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.”

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.”

Fourteenth Amendment, US Constitution

Section 3. No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.

ORDER OF THE DAY

THE NAZI BLINKED

Since March 4, 2020 the state of California has been in the grasp of a totalitarian governor that would make his fellow totalitarian brother Adolph Hitler proud. Of course there are Hitler's cousins in totalitarianism Mao Zedong, Lenin, Marx, Stalin, Pol Pot, Castro, Kim, and Madero who must be equally as proud with the governor's efforts to make the *New World* the totalitarian utopia they all sought to achieve.

Not since the discovery of the *New World* by Christopher Columbus in 1492 until the removal of a statue depicting Christopher Columbus and Spain's Queen Isabella was removed from the rotunda inside the California State Capitol Building in Sacramento on July 7, 2020 has there been such a dictator with so much power over so many in the *New World*. Using the pretext of the covid virus pandemic in February 2020 the governor quickly seized power and began to destroy the lives of millions of U.S. Citizens living the California state.

First the children were forced to stop going to school. California state's first responsibility and which they spend most of their budget is to educate the children. Schools closed for fear over the virus yet there was no viable data to show school closures would stop the

“spread”. In fact children have been shown to be the least likely to spread the virus.

Then came the closure of churches and large gatherings. A clear violation of the 1st Amendment church leaders for *fear* of being arrested acquiesced. Taking a knee to the Hitler protégé and thus surrendering the 1st Amendment which states: ***“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.”***

Emboldened by his power to control and influence the lives of 40 million people, his lust for power continued unchecked as he attacked the economy by shutting down businesses. To insure the destruction the governor, just like Hitler in Germany weaponized such agencies as the cosmetology board to become police complete with guns and handcuffs, to enforce massive extortions upon businesses.

In Grievance 37, Chapter II, the **DICTATOR USES MARTIAL LAW ON AMERICAN CITIZENS: The State is in Martial Law** we stated the following:

“The California governor has obtained power by the force of fear. Utilizing a compliant media, pseudo sciences, corrupt mono party system, local officials and state-wide government agencies the governor has become a classic

dictator who is destroying the state and its people through martial law.

Using incremental stages of implementation of martial law the governor started with the use of emergency powers as he declared for himself “one man rule”. Next came the masking, then the closures of schools, churches, businesses, travel restrictions, curfews, releasing of convicted felons and lock downs of entire counties in the largest state in the nation.

In Grievance 38, Chapter II, INVESTIGATE DOMESTIC TERRORISM: we stated the following:

“Since March 4, 2020 the California Governor has been an official dictator. The definition of a dictator by Oxford Dictionary: “a ruler with total power over a country, typically one who has obtained control by force”.

The legislature in California state is non existent but cannot resist their totalitarian impulses as they have eagerly allowed the governor has usurped their power under the guise of the covid virus. Of course with a mono party system that fails to provide a republican form of government the unilateral giving up of legislative power to the dictator has been easy totalitarian impulse to follow”.

In Grievance 39, Chapter II, SAVE THE REPUBLIC: we stated the following:

“Martial law can be imposed when civil rule fails, temporarily being replaced with military authority in a time of crisis. Though rare, there have been a number of notable U.S. cases where martial law came into play, including in times of war, natural disaster and civic dispute”.

Because the rule of law was destroyed by the governor as he usurped power from the legislature and the judiciary there came lawlessness as Representative government came to a stop. Violent crime soared as covid infected illegal foreign nationals invaded the state at the invitation of the governor himself.

Now we hear the governor is “lifting” the restrictions. With the election over we are now seeing like minded governors around the nation lifting their same orders yet they claim millions of infected cases.

Why now? The governor as many governors are finding out they have no money coming into fuel their Hitlarian impulses and urges. The governor thought there was going to be a bail out by congress he now knows there will be no bail out by congress.

California is headed for financial collapse in just a few short months. California’s financial trajectory was set in stone when the governor chose to follow Hitler instead of the Founding Fathers. Hitler blinked in Russia. Newsom blinked in California. Both are in the dust bend of history.

Yet the FOUNDING FATHERS are ALIVE AND WELL today LIVING in the HEARTS AND MINDS of ALL NEW CALIFORNIANS.

NEW CALIFORNIA STATE'S PLACE IN HISTORY AS THE 51st STATE IN THE UNION IS ASSURED. THANK YOU FOUNDING FATHERS

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “***Acts of Insurrection***” against the U.S. Constitution.

The **Insurrection Act of 1807** and the ***Emergency Economic Powers Act*** are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “***Acts of Secession***” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “*Abdication of their Responsibilities of Authority and Sovereignty*” over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.
