Chapter II**

Grievance 41

**Declaration of Grievance Statement
of Facts**

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who

commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

“The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.”

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.”

Fourteenth Amendment, US Constitution

Section 3. No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.

ORDER OF THE DAY FAILED STATE

California State Auditor released her report on the embattled Employment Development Department (EDD) Thursday. New California State had been touting the report for weeks as a document that will define even more than ever that California is a failed economic state.

New California State financial forensic auditors whose back grounds go back to the late 1980s have worked with numerous financial and law enforcement agencies around the world to expose financial fraud. Over 2 years ago, New California State auditors suspected massive fraud at the EDD before the audit was even considered by the state. Now we know the money lost through fraud at the EDD could be higher than \$15 billion dollars with early reports suggesting *right now* the number is more like \$30 billion and could be as high as \$50 billion when all elements of future audits are known.

California Failed State

Currently California is sitting with a over \$100 billion in “cash” debit. Public education is closed (except in a few districts with cash reserves), businesses have been destroyed by the thousands and countless lives destroyed.

New California has determined that with the additional \$15 billion loss California will not sustain itself for much longer as a state even with the paltry \$8 billion help of the federal corona bail out.

From the report:

“In September 2020, the Joint Legislative Audit Committee directed my office to conduct an emergency audit of the Employment Development Department’s (EDD) response to effects of the COVID-19 pandemic. In August 2020, we also identified as a high-risk issue the management of federal funding in response to the COVID-19 pandemic, and EDD is one of the state agencies responsible for managing that funding. For these reasons, we performed this audit of EDD’s unemployment insurance (UI) program”.

Massive fraud at the California state Employment Development Department (EDD) is growing worse each day.

In a report filed by KCRA Sacramento: **“California EDD audit details failures of ‘ill prepared’ unemployment agency”** the claim for missing money due to fraud is now at \$11 billion.

“Unprepared, poor planning and ineffective management. That’s how California State Auditor Elaine Howle describes the inner workings of the state’s Employment Development Department”.

The emergency audit, called for by dozens of lawmakers from both sides of the aisle, was approved in September. The audit makes some key points about what is said were

poor decisions by Employment Development Department staff:

Employment Development Department changed processes in the beginning of 2020, after shutdowns during the pandemic. This was supposed to process and pay claims faster, but those changes are temporary and were also responsible for opening the department up to what we now know is **\$11 billion in fraud** — a number that could rise up to \$30 billion.

But reports are now starting to surface that the amount maybe in excess of \$50 billion. Former Fox News reporter Adam Housley by way of twitter says the amount is more like \$50 billion.

“Looks like 90% of the unemployment fraud in California went out of state and the number could reach 50 Billion dollars. Unreal”.

Adam Housley from Twitter:

“Been reporting on the EDD unemployment fraud in California via Twitter the last few weeks and some folks have asked me to post it all here. My sources have been well out in front of the mainstream coverage and my Twitter reports have been cited a ton. The latest:

Looks like 90% of the unemployment fraud in California went out of state and the number could reach 50 Billion dollars. Unreal. 50 billion

dollars gone and we won't be able to recapture much, if any of it. That's approaching 1/3rd of all funds sent out.

The fraud reaches all over the globe. We were sending money everywhere and nobody was stopping it. A bunch went to Eastern Europe and West Africa.

EDD is overwhelmed in good economic times. I have reported the states computer systems are waaay outdated. Its computer system dates back to the early 1990s. We didn't spend our money updating and preparing and now that is costing us billions.

BofA did their due diligence and let EDD know. EDD was overwhelmed. The backlog made everything way worse...and now we are at the same point again with a backlog of over a million applications.

This money lost due to corruption and bad leadership is a Mix of State, Federal, and Cares Act money”.

California is headed for financial collapse in just a few short months. California's failed financial trajectory is set in stone by a dictator governor who has ignored the Constitutional structure set forth by the Founding Fathers

Not ignored in New California the FOUNDING FATHERS are ALIVE AND WELL today LIVING in the HEARTS AND MINDS of ALL NEW CALIFORNIANS.

NEW CALIFORNIA STATE'S PLACE IN HISTORY AS THE 51ST STATE IN THE UNION IS ASSURED. THANK YOU FOUNDING FATHERS.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “***Acts of Insurrection***” against the U.S. Constitution.

The **Insurrection Act of 1807** and the ***Emergency Economic Powers Act*** are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “***Acts of Secession***” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to

thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “*Abdication of their Responsibilities of Authority and Sovereignty*” over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.
