“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

State of New California

Grievance 34

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government Violates the Following: United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

Section 3. *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

ORDER OF THE DAY

A STATE OF WAR EXISTS

INSURRECTION, BETRAYAL AND TREACHERY IS IN OUR MIDST

“To protect the United States homeland and the American people, I hereby declare a national emergency with respect to this threat”. *President Donald Trump*

On September 12, 2018 President Trump signed **Executive Order 13848** and declared a national emergency pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) to deal with the unusual and extraordinary threat to the national security and foreign policy of the United States constituted by the threat of foreign interference in or undermining public confidence in United States elections. This EO is a major step toward the 1807 Insurrection Act being implemented by President Trump.

Then on **September 10, 2020** the national emergency declared on September 12, 2018, was continued beyond September 12, 2020. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), The President continued for 1 year the national emergency declared in **Executive Order 13848** with respect to the threat of foreign interference in or undermining public confidence in United States elections.

In the EO **13848** there are a number of provisions and actions that individuals need to be warned about who have been involved in government, vendors of governmental agencies, elected officials and those in the media who might find themselves engaging in actions that are detrimental to the United States.

Many of California's politicians, bureaucrats, and business leaders are complicit in collaborating with the same enemy that has repeatedly and consistently threatened to destroy the United States and *coincidentally*, this same enemy, **The People's Republic of China, led by the Chinese Communist Party**, has released a virus upon the world that has upended civilization and weakened our economy and national security in ways that equal or surpass a direct, kinetic attack upon us.

California's governor and his allies have actively taken the side of the enemy **AND AIDED AND ABETTED THE ENEMY BY SUPPRESSING ECONOMIC RECOVERY AND LOCKING DOWN OUR STATE**, HANDING AN EASY VICTORY TO THE ENEMY that could only come from treachery within. This is demonstrable through financial ties, media and institutional alliance with the enemy.

Names will soon be published.

CALIFORNIA COMMUNISTS ARE SLEEPING WITH THE ENEMY

Governor Newsom and his allies, in an archipelago of "sanctuary cities", where lawlessness prevails, have taken the side of communist China against their own fellow-citizens. The efforts to steal our elections are a frontal assault on our freedom and our republic and we call upon the Federal Government to deploy all resources to come to our aid and defense.

New California stands with the United States of America and we will defend our nation and WE WILL SUPPORT ANY DECLARATION FROM THE PRESIDENT OF THE UNITED STATES THAT AN INSURRECTION EXISTS TO OVERTHROW THE UNITED STATES.

Self-governance and representation have been stolen from us by corrupt collaborators who are complicit conspirators in the insurrection that exists to overthrow the established rule of law and the Supreme Law of the Land, which is our Constitution.

A state of war exists, and *We, the People* of New California petition the government of the United States to declare that an insurrection exists in our midst.

OUR PETITION:

Regrettably, the Courts and the Legislatures of the Several States have reached a level of corruption that is only remediable by the measures prescribed by our Founders in the implementation of the Insurrection Act of 1807 and in all other legal devices available to suppress insurrection.

It is evident to all objective observers that our election system has been irredeemably corrupted and also that the cost in human life will be lessened if the President and the Congress will take active measures to suppress the coup and insurrection that is presently underway and to apprehend and prosecute all those who have been a party to fraud and censorship that is illegal based upon aiding and abetting the enemies of the United States.

New California seeks the quelling of this insurrection, the repulsion of invasion, whether it be covert or overt, and whether it involves cyberwarfare or kinetic attack, whether it enters through our unsecured borders or whether it originates here in our own land. We seek action against the rebellion against our Constitution and our Republic and we seek a restored government that is loyal to the United States and our Constitution.

A state of war exists between We the People of the United States and foreign and domestic enemies who are engaged in attempting to overthrow our elections and control public opinion through media racketeering and conspiracy right here in California.

We, the People, of the Unified Counties of New California seek the removal of the California state GOVERNOR. *We* are determined to stop the "one man rule" of a *pusillanimous* craven dictator whose words and actions are a grave danger to all U.S. Citizens living in California.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “*Acts of Insurrection*” against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

On September 12, 2018 President Trump signed **Executive Order 13848** and declared a national emergency pursuant to the International Emergency Economic Powers Act. Then on September 10, 2020 the national emergency declared on September 12, 2018, was continued for 1 year beyond September 12, 2020.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “*Acts of Secession*” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “*Abdication of their Responsibilities of Authority and Sovereignty*” over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings.
