

State of New California
NOTICE
TO ALL CALIFORNIANS!
Chapter II
Grievance 42

FEBRUARY 9, 2021

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of

January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

“We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....”

First Amendment of the United States Constitution states:

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.”

Fourth Amendment of the United States Constitution states:

“The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.”

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

State of New California Grievance 42

Declaration of Grievance Statement of Facts:

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

**California State Government Violates the Following:
United States Constitution Article IV Section 4**

“The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.”

United States Constitution Article VI:

“This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.”

First Amendment, United States Constitution:

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.”

Fourteenth Amendment, United States Constitution:

Section 3. *“No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.”*

1ST ORDER OF THE DAY CONFISCATE PRIVATE PROPERTY

CALIFORNIA POISED TO CONFISCATE PRIVATE PROPERTY TO INCREASE ITS REAL ESTATE PORTFOLIO

A moratorium on evictions in California now threatens to utterly wipe out the income of landlords, driving them into bankruptcy and financial ruin. This type of centralized planning by a tyrannical government, without regard for liberty and private property rights is precisely what can be expected of those who reject the principles of liberty enshrined in our Declaration of Independence, Constitution, and Bill of Rights.

Nobody has given the Governor or the government of the California the right to infringe on private property rights in this manner. It is just another attempt to engineer the collapse of the private sector, grow government dependence, and buy votes and support for the socialist, left-leaning mono-party apparatus that has replaced true self-government and the republic that we are guaranteed to have under the Constitution of the United States.

In this unprecedented **POWER GRAB**, California is **POISED TO SEIZE PRIVATELY-OWNED PROPERTIES**.

SB 1079 interferes in the normal business cycle, prevents the liquidation of bad debt, rewards government dependence, and destroys private wealth, which has been the keystone of the American Dream, and which also has created a standard of living that is beneficial for tenants and landlords. California now prepares to become the landlord of last resort, driving the last nail in the coffin of economic liberty in the once-Golden State.

This bill, created January 21st, 2021 gives California the first right of refusal to buy all foreclosed properties.

Private investment by landlords and business owners is responsible for the prosperity that Californians have experienced for most of the state's history. Now, due to dictatorial and communistic government policies, private investment is fleeing California, along with businesses and those with high income, who, historically inject money into California's economy, causing a benefit to all Californians. This money is fleeing the state, and one of the consequences of this is plummeting property values. The capitalization rate that attracts real estate investors has now been systemically altered in such a way that it is **California's dictatorship that now competes with free economic enterprise**. Given the fact **California now wields a monopoly on power (no power to the people)**, economic recovery is not viable in the future anytime soon.

California state is in a dictatorship and its destroying our liberty and creating **financial ruin that is unprecedented in the United States**.

2ND ORDER OF THE DAY MORE DICTATORIAL RULE

SB-29-Elections/Vote By Mail Ballots

SENATE BILL 29 is set for a hearing TODAY. This bill would take effect immediately upon passage and will mandate the extension of all mail-in voting, for any election held before Jan. 1, 2022. **THIS MEANS ANY RECALL ELECTION WOULD BE HELD BY MAIL-IN VOTING, using COVID as a reason, just as our November 2020 election was.**

Here is some of the bills summary:

- *SB 29, as amended, Umberg. Elections: vote by mailballots.* Existing **unconstitutional law** required county elections officials to mail a ballot to every registered voter for the November 3, 2020, statewide general election. Existing **unconstitutional law** for the November 3, 2020, statewide general election, also required county elections

officials to use a specified Secretary of State vote by mail tracking system or a system that meets the same specifications.

- This bill would extend these requirements to all elections *proclaimed or* conducted prior to January 1, 2022. By Requiring a county election official to mail a ballot to every registered voter, and to track those ballots, this bill would impose a state-mandated local program.
- This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.
- This bill would declare that it is to take effect immediately as an urgency statute.
- There is a hearing today, at to pass an *urgency statute* (SB-29) to extend the CA emergency mandate for *all-mail ballots "for all elections proclaimed or conducted prior to January 1, 2022.*

California is headed for collapse as a state in just a few short months. California's failed trajectory is now set in stone by a craven dictator who chooses to violate both federal and state laws while ignoring the Constitutional structure set forth by the Founding Fathers of the United States.

Not ignored in New California State the FOUNDING FATHERS are ALIVE AND WELL today LIVING in the HEARTS AND MINDS of ALL NEW CALIFORNIANS.

NEW CALIFORNIA STATE'S PLACE IN HISTORY AS THE 51ST STATE IN THE UNION IS ASSURED. THANK YOU FOUNDING FATHERS

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in "*Acts of Insurrection*" against the U.S. Constitution.

The Insurrection Act of 1807 and the *Emergency Economic Powers Act* are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “Acts of Secession” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “Abdication of their Responsibilities of Authority and Sovereignty” over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the Military to exercise its authority under continuity of government and the Insurrection Act of 1807 to initiate the Military’s use of Martial Law and create the restored government of California as requested by New California State to end the tyranny being foisted upon the United States of America.

This concludes these proceedings.
