

State of New California

NOTICE

TO ALL CALIFORNIANS!

Chapter II

Grievance 43

FEBRUARY 16, 2021

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

State of New California

Grievance 43

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government Violates the Following: United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

Section 3. *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

ORDER OF THE DAY

STEP 1

REMOVE THE GOVERNOR

From Katy Grimes of Cal Globe wrote:

“With the \$250,000 the Republican National Committee contributed to the effort to recall California Gov. Gavin Newsom, and now with \$125,000 from the state GOP, the RecallGavin2020 and Rescue California effort has picked up steam and tops the needed 1.5 signature threshold. The recent contributions will help gather the goal of 2 million signatures, for the added cushion.

The recall could be on the ballot as early as this summer 2021.

And still the governor and his top staff behave as if this is a joke. The Associated Press reported over the weekend:

Dan Newman, Newsom’s chief strategist, said the check confirms the financial partnership between the recall effort and state and national Republicans.

“The facade is gone. It’s never been more clear — they’re admitting that the Republican recall scheme is simple partisan politics,” Newman said in a statement.

“Republicans have lost every single state election for 15 years, so they’re trying increasingly desperate, distracting and destructive things.”

Randy Economy, Senior Advisor for RecallGavin2020 told Fox News with new Secretary of State Shirley Weber appointed by Gov. Newsom, she is the final say on whether the recall qualifies for the special election, so the campaign wants to have healthy cushion of 400,000-500,000 extra signatures.

“We know Gov. Newsom is getting desperate right now,” Economy said, “his political career is blowing up before him, so we’re going to keep an eye on Sacramento, and the politics of Sacramento, so that no funny business is going on, to kind of keep ahead of them.”

On January 15, 2018 New California, years before the current recall effort New California State declared its Independence from the state of California following the Constitutional process in Article IV, Section 3 known as the Admission Clause. As part of the Independence process over 137 Grievances against the state and its governors have been read in the public square.

The New State Clause is the only remedy offered by the Founding Fathers that will yield the necessary changes to make a new state from a pre-existing state once the pre-existing state is rendered by its own actions complete failure. California has been in failure mode for over 5 years.

To circumvent the Founding Fathers the *Controlled Opposition* has now surfaced to attempt to stop the New State's Clause process and attempt to deny New Californian's their Constitutional Rights. Don't be fooled the *Controlled Opposition* will take many faces and personalities and use many techniques. The deception will be deep and repugnant pretenders will appear.

THE CHICAGO SYNDICATE SENDS THE CONTROLLED OPPOSITION TO CALIFORNIA

Where is Elliot Ness when you need him? In true Chicago gangster fashion, the Chicago branch of the mono-party Deep State syndicate, the mob has gone into activation mode to turn the failed state of California's recall efforts into the "controlled opposition", creating the optics of a citizen recall of the tyrannical mobster and tyrant, Gavin Newsom, but in reality, California's Deep State has already circumvented the vote once again, by mandating "mail-in ballots" and having the Chicago branch of their operation put forth the controlled opposition candidate, John Cox, the Chicago darling. When will the citizens of California learn that rearranging the furniture on the Titanic won't keep the ship from sinking?

STEP 2

Article IV, Section 3

The Founding Fathers gave us the remedy for the crisis of government and the dictatorship that now oppresses the United States citizens residing in California, **and it is not a "controlled opposition recall". It is called the Admissions Clause of the United States Constitution**, also known as the "New States" clause. **It worked for West Virginia and it is working for New California**.

How long will it be before American citizens dwelling in the other 49 states will demand New California State? They're daily being betrayed by the mono-party cabal of Newsom, Pelosi, Biden, Harris, et al.

NEW CALIFORNIA STATE IS FORTHCOMING!

New California State will not be absorbed by the United Nations, China, the Chicago syndicate of the mono-party mob, or any other nefarious entity that does not have the interest of the United States citizens as their primary concern. Government of the People, by the People and for the People shall not perish from California. New California State is a successful state in development. Nothing can stop what is coming.

California is headed for collapse as a state in just a few short months. California's failed trajectory is now set in stone by a craven dictator who chooses to violate both federal and state laws while ignoring the Constitutional structure set forth by the Founding Fathers of the United States.

Not ignored in New California State the FOUNDING FATHERS are ALIVE AND WELL today LIVING in the HEARTS AND MINDS of ALL NEW CALIFORNIANS.

NEW CALIFORNIA STATE'S PLACE IN HISTORY AS THE 51ST STATE IN THE UNION IS ASSURED. THANK YOU FOUNDING FATHERS

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “*Acts of Insurrection*” against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United **States** federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “*Acts of Secession*” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “*Abdication of their Responsibilities of Authority and Sovereignty*” over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the Military to exercise its **authority under continuity of government and the Insurrection Act of 1807 to initiate the Military’s use of Martial Law** and create the restored government of California as requested by New California State **to end the tyranny being foisted upon the United States of America.**

This concludes these proceedings.
