Chapter II

Grievance 44

FEBRUARY 23, 2021

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

State of New California

Grievance 44

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government Violates the Following: United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

Section 3. *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

ORDER OF THE DAY

ACCESS DENIED – TO YOUR GOVERNMENT

Americans are witnessing the unfolding of two banana republics, one in Washington D.C. the other in Sacramento, California lead by two emperors who have no clothes. Two *kleptocratic* scenes by usurping, **naked and unashamed dictators** that requires every AMERICAN CITIZEN demand transparency and openness. Yet it is not forthcoming. Neither is financial accountability or, for that matter access to government that ALL GENERATIONS OF AMERICANS AND CALIFORNIAS have previously had a God Given Right to enjoy.

ACCESS IS DENIED TO THE CITIZENS. HOWEVER, ACCESS IS GRANTED, TO BIG PHARMA, THE UNITED NATIONS, COMMUNIST CHINA, ILLEGAL FOREIGN NATIONALS, ANYONE ELSE WHO IS WILLING TO GREASE THE PALMS OF THE NEWSOM, PELOSI, BIDEN AND HARRIS MOBS, AS WELL AS THE HIGHEST BIDDERS OF ANY DOMAIN OF HUMAN INFLUENCE.

Russian oligarchs are blushing with envy at the power grab that has been achieved by these un-American crooks and mobsters. We know how they rose to the top of the political structure and we will remember the day justice is pronounced against them.

The government in Washington D.C. and the government in Sacramento, California have erected barriers to prevent citizen access to government (all the while protesting their vehement disapproval of walls).

PHYSICAL BARRIERS NOW SEPARATE THE UNITED STATES CITIZENS FROM GOVERNMENT AND ALL THIS HAS BEEN DEMONSTRABLY ORCHESTRATED BY THEIR ANTIFA AGENT PROVOCATEURS AND FOOT SOLDIERS, ALONG WITH CNN SUPPORT, WHO BREACHED THE CAPITOL BUILDING IN FULL VIEW OF VIDEO AND AUDIO RECORDING DEVICES. THE HISTORY BOOKS WILL TAKE CAREFUL NOTE OF THIS FACT. IT IS A MATTER OF RECORD.

All this has been done at the same time the mono-party operatives of Newsom and Biden have been burning and looting American cities. This has not escaped our notice either. We also know they are colluding to designate us as terrorists for the “crime” of noticing what they are doing. As Shakespeare said, they will be “hoisted by their own petard”.

Will this stand in New California? Not a chance. Justice is coming. We will not be governed by tyrants, even if they do have the protection of Big Media, Big Pharma, and Communist China. In New California, we don't sleep with spies and we don't betray our American republic. Justice will be served.

We, IN NEW CALIFORNIA, are not right, left, white, black or anything else. We are Americans! We are New Californians!

California is headed for collapse as a state in just a few short months. California's failed trajectory is now set in stone by a *pusillanimous* craven dictator who chooses to violate both federal and state laws while ignoring Constitutional structure.

The Founding Fathers gave us the remedy for the crisis of government and the dictatorship that now oppresses the United States citizens residing in California, *and it is not a "controlled opposition recall"*. **It is called the Admissions Clause of the United States Constitution. It worked for West Virginia and its working for New California.**

Controlled Opposition

Yet to circumvent the Founding Fathers a *Controlled Opposition* force has now surfaced in an attempt to stop the New State's Clause process and deny New Californian's their Constitutional Rights. Don't be fooled the *Controlled Opposition* force's will take many faces and personalities while being *perfidious*. The deception will be deep and *repugnant fakirs* will appear.

Government of the People, by the People and for the People shall not perish from California. New California State is a successful state in development. Nothing can stop what is coming.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in "*Acts of Insurrection*" against the U.S. Constitution.

The **Insurrection Act of 1807** and the **Emergency Economic Powers Act** are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in "*Acts of Secession*" and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of "*Abdication of their Responsibilities of Authority and Sovereignty*" over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the Military to exercise its authority under continuity of government and the Insurrection Act of 1807 to initiate the Military's use of Martial Law and create the restored government of California as requested by New California State to end the tyranny being foisted upon the United States of America.

This concludes these proceedings. newcaliforniastate.com, ncs51.com (877) 828 2753
