Chapter II

Grievance 45

March 2, 2021

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

State of New California

Grievance 45

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government Violates the Following: United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

Section 3. *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

NEWSOM'S "ENABLING ACT"

ON THE HEELS OF BIDEN'S "REICHSTAG FIRE"

CREATES

"TEMPORARY AND EXTROARDINARY POWERS"

Consider the succession of events that transformed Germany from a constitutional form of government to a totalitarian dictatorship in rapid succession:

- On February 27th, 1932 the German capitol building, called the Reichstag was breached and burned down.
- The political party blamed for the breach was opposing the NAZI party. The NAZIs accused the opposing party, the KPD of starting an insurrection.
- The Chancellor, Adolf Hitler, convinced the President, Paul von Hindenburg to suspend freedom of speech, press, and association.
- Joseph Goebbels, with full support of NAZI BIG MEDIA AND BIG TECH (radio and film), created propaganda to suggest that the nation was in a state of emergency.
- The hysteria created allowed Hitler to vilify his political opponents and unite smaller parties and factions against his political enemies, getting a 2/3 vote to pass the "Enabling Act" that gave Hitler temporary, extraordinary powers. The act passed 441 to 94. This allowed Hitler to literally dictate laws without a vote from the legislature. This was the end of the (Weimar) Republic. The engineered emergency caused the people to submit to a dictatorship.
- The Weimar Constitution remained in effect all the way through the second world war, but Hitler had negated it by the **ENABLING ACT** granting him temporary and extraordinary powers (emergency powers).
- The Enabling Act allowed Hitler to pass laws without even consultation of the legislative branch of government.
- Hitler had been the Chancellor of Germany (head of government), and when the President (head of state) Paul von Hindenburg died, Hitler created a new office - Fuehrer (leader), eliminating an entire branch of government and assuming its power.

Does this progression of events sound familiar? It does to New Californians, and we are not complying with it! What Hitler did was known as "*the legal revolution*" because he did everything under the color of law and by, then supplanting representative government with NAZI bureaucracies. Gavin Newsom, informed historian that he apparently is, has a lot in common with the plagiarist, "Shanghai Joe" Biden, who also appears to have plagiarized his entire administration's first acts in office directly out of Hitler's tried and proven path to power.

As urbanite Californians goose-step to the mask mandates, we, in New California State are taking a different tack - liberty. New Californians are HOLDING THE LINE of liberty in the United States and we are not giving way to the tyranny that previous generations of Americans went overseas to fight. Quite simply, in New California, we don't submit to tyranny.

**As Mark Twain reportedly said,
"history may not repeat itself, but it sure does rhyme".**

We, IN NEW CALIFORNIA, are not right, left, white, black or anything else. We are Americans! We are New Californians!

California is headed for collapse as a state in just a few short months. California's failed trajectory is now set in stone by a *pusillanimous* craven dictator who chooses to violate both federal and state laws while ignoring Constitutional structure.

The Founding Fathers gave us the remedy for the crisis of government and the dictatorship that now oppresses the United States citizens residing in California, **and it is not a "controlled opposition recall". It is called the Admissions Clause of the United States Constitution. It worked for West Virginia and its working for New California.**

Controlled Opposition

Yet to circumvent the Founding Fathers a *Controlled Opposition* force has now surfaced in an attempt to stop the New State's Clause process and deny New Californian's their Constitutional Rights. Don't be fooled the *Controlled Opposition* force's will take many faces and personalities while being *perfidious*. The deception will be deep and *repugnant fakirs* will appear.

Government of the People, by the People and for the People shall not perish from California. New California State is a successful state in development. Nothing can stop what is coming.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “*Acts of Insurrection*” against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United **States** federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “*Acts of Secession*” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “*Abdication of their Responsibilities of Authority and Sovereignty*” over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the Military to exercise its **authority under continuity of government and the Insurrection Act of 1807 to initiate the Military’s use of Martial Law** and create the restored government of California as requested by New California State **to end the tyranny being foisted upon the United States of America.**

This concludes these proceedings.
