Chapter II

Grievance 47

March 16, 2021

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

State of New California

Grievance 47

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government Violates the Following: United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

Section 3. *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

ORDER OF THE DAY

WAKE UP SMELL THE COMMUNISM

Did you notice what **the president just said in his speech** to the nation? “I need you to get vaccinated when it’s your turn and when you can find an opportunity... And to help your family, your friends, your neighbors get vaccinated as well.”

Based on this statement, it should be assumed that **people will be assigned a turn to take the vaccine**. What will *that* look like? This may be an appointment, a coupon, or some other thing that indicates **when it is your “turn”**. It is also to be assumed, based on these words, that the government will encourage people to “help” others get vaccinated. **This is communist code talk for “rat them out and become an informer to the state”**.

Can you smell the communism yet?

- spying on family and neighbors and reporting on them
- mandatory compliance with “vaccines” that are really a nano-technological medical device and an operating system for the “internet of things (IOT) that extends the frontier of the trans-humanist aspirations of the globalists, creating a global class of “slave citizens” who are constantly tracked and evaluated for their value to the state.
- payments that come from an economy that is engineered to erect a socialist state, coming under the guise of “help from the government”

And don’t be surprised if compliance with this vaccine mandate is linked to the “stimulus payments” you’re becoming addicted to. In a very real sense, if you’re depending on these payments from your political masters, then you’ve already received the “vaccine against liberty”. Go ahead cash the check. Cash it – you’ll be charged for it anyway and you’ll pay for it either through direct taxation or through the indirect taxation by the eroded value of your currency due to monetary and fiscal inflation. Cash it – but realize you have now been recruited as an employee of the state. And believe me, **the mono-party mob that has taken over this state depends on good comrades** who not only receive this money, but who do so with an attitude of entitlement and expectancy.

It’s fair to ask. Have you been recruited? Are you living like a good comrade?

Good comrades comply. Good comrades are careful to never criticize the government. Good comrades NEVER engage in hate speech (communist code talk for speech that criticizes the government or holds them to account for their misdeeds). Good comrades obey when the government says “put on that mask” or “take that vaccine”. Good comrades don’t object when their private property is confiscated, or their private businesses shut down. After all, it’s all for the common good. Individual liberties are an outdated idea stemming from colonialists, capitalists and racists, right?

The university system, the media, and the mainstream media all promote communist propaganda and actively censor, libel, slander, and marginalize all that is good and right. By now you're seeing this manufactured crisis we're in is in accordance with a long-term strategy designed to reduce the United States to an absolute despotic satellite state of China.

It IS a time for choosing. Will you comply with the tyranny? If so, what does that make you? Will you defend our liberty? Will you just try to blend in and not be noticed, as the persecution of Christians and patriots continues to ramp up?

After reflecting on the content of this article, ask yourself if you've been vaccinated against the liberty that our founders fought for. Or, on the other hand, are you poised for action to act in defense of these liberties?

What will you do when they demand you submit to their gun confiscation schemes? What will you do when they demand you get vaccinated? What will you do when they censor you? What will you do when you are told you cannot freely assemble without government sanction? If you are wondering what to do, then I have a recommendation, and I suggest you waste no time implementing it. **JOIN THE NEW CALIFORNIA STATE MOVEMENT.**

How would you like to live in a State that has a constitution that guarantees you medical liberty, and one where mandated, compulsory vaccines, "tests", and implantable devices will not be enforced? Welcome to New California State. Get on board and come on in! Don't assume that you can just wait for it to happen. Become an active patriot who participates in the defense of our liberty and join the loyal resistance to tyranny. Loyalty to our constitution now means ***active non-compliance*** with dictates and edicts from communist mouthpieces. Contact your New California Assemblyman or Senator to find out how to get involved.

The Covid-19 virus pandemic will go down in history as the single largest world-wide hoax ever perpetrated on humanity. The devastating results of lock-downs, closures, and forced vaccines is just starting to be revealed.

California is headed for financial collapse as a state in just a few short months as its trajectory is now set in stone by a craven dictator who chooses to violate both federal and state laws while ignoring the Constitutional structure set forth by the Founding Fathers of the United States.

NEW CALIFORNIA STATE'S PLACE IN HISTORY AS THE 51ST STATE IN THE UNION IS ASSURED. THANK YOU FOUNDING FATHERS.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “Acts of Insurrection” against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “Acts of Secession” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “Abdication of their Responsibilities of Authority and Sovereignty” over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the Military to exercise its authority under continuity of government and the Insurrection Act of 1807 to initiate the Military’s use of Martial Law and create the restored government of California as requested by New California State to end the tyranny being foisted upon the United States of America.

This concludes these proceedings.
