Chapter II

Grievance 48

March 23, 2021

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

State of New California

Grievance 48

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government Violates the Following: United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

Section 3. *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

ORDER OF THE DAY

THE END

CALIFORNIA IS A FAILED STATE

1 Corinthians 15:24

Then cometh the end, when he shall have delivered up the kingdom to God, even the Father; when he shall have put down all rule and all authority and power.

(King James Version)

Naazneen H. Barma is an Assistant Professor of National Security Affairs, Naval Postgraduate School, Monterey, New Calif. and Director, Bridging the Gap Project contributed an article on “Failed State” to SAGE Publications’ for *Encyclopedia Britannica*. She wrote the following:

“Failed state, a state that is unable to perform the two fundamental functions of the sovereign nation-state in the modern world system: it cannot project authority over its territory and peoples, and it cannot protect its national boundaries. The governing capacity of a failed state is attenuated such that it is unable to fulfill the administrative and organizational tasks required to control people and resources and can provide only minimal public services. Its citizens no longer believe that their government is legitimate, and the state becomes illegitimate in the eyes of the international community.

A failed state is composed of feeble and flawed institutions. Often, the executive barely functions, while the legislature, judiciary, bureaucracy, and armed forces have lost their capacity and professional independence.

A failed state suffers from crumbling infrastructures, faltering utility supplies and educational and health facilities, and deteriorating basic human-development indicators, such as infant mortality and literacy rates. Failed states create an environment of flourishing corruption and negative growth rates, where honest economic activity cannot flourish.

The dynamics leading to and compounding state failure are many and varied, including civil war, ethnic violence or genocide, and predatory government and bureaucratic behaviour.

State failure comes in degrees and is often a function of both the collapse of state institutions and societal collapse. A strong state provides core guarantees to its citizens and others under its jurisdiction in the three interrelated realms of security, economics, and politics. A failed state cannot maintain a monopoly on the legitimate use of violence and minimize internal conflict.

It cannot formulate or implement public policies to effectively build infrastructure and deliver services or effective and equitable economic policies. In addition, it cannot provide for the representation and political empowerment of its citizens or protect civil liberties and fundamental human rights.

Thus, state failure manifests itself when a state can no longer deliver physical security, a productive economic environment, and a stable political system for its people”.

New Californians are experiencing the "failed state environment". We must not wait to "pick up the pieces", but rather position ourselves for what we know is coming.

California is headed for collapse as a state in just a few short months as its trajectory is now set in stone by a pusillanimous craven dictator who chooses to violate both federal and state laws while ignoring the “Original” Constitutional structure set forth by the Founding Fathers of the United States.

Not ignored in New California State the FOUNDING FATHERS are ALIVE AND WELL today LIVING in the HEARTS AND MINDS of ALL NEW CALIFORNIANS.

NEW CALIFORNIA STATE’S PLACE IN HISTORY AS THE 51ST STATE IN THE UNION IS ASSURED. THANK YOU FOUNDING FATHERS.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “*Acts of Insurrection*” against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United **States** federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “*Acts of Secession*” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “*Abdication of their Responsibilities of Authority and Sovereignty*” over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the Military to exercise its authority under continuity of government and the Insurrection Act of 1807 to initiate the Military’s use of Martial Law and create the restored government of California as requested by New California State to end the tyranny being foisted upon the United States of America.

This concludes these proceedings.
