*“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”*

## New California Declaration of Independence of January 15, 2018 states:

*“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.*

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

## **Preamble of the New California State Constitution states:**

*We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....*

## **First Amendment of the United States Constitution states:**

### Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

### California State Government Violates the Following: United States Constitution Article IV Section 4

*"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."*

### United States Constitution Article VI

*This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.*

### First Amendment, United States Constitution

*"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."*

### Fourteenth Amendment, United States Constitution

**Section 3.** *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

## The Governor Has Failed Californians

*“Unaffordable housing. Record homelessness. Rising crime. Failing schools. Independent contractors thrown out of work. Exploding pension debt. And now, a locked down population while the prisons are emptied”. FROM RECALL NEWSOM*

The recall election of Governor Gavin Newsom was confirmed on Monday following the Secretary of State’s office updating their validated signatures in the recall effort to be 1,626,042, well above the 1.495 million needed.

While previous efforts in 2019 and 2020 failed to garner enough signatures, public outcry over the Governor’s handling of COVID-19 lockdowns and the harm it did to businesses, owners and employees statewide, as well as continued outrage over years worth of questionable and controversial decisions, letting \$31 billion in unemployment fraud occur under his administration, and being caught lying about properly social distancing himself during the height of the lockdown late last year, fueled the signature gathering success of the latest recall signature gathering effort.

### And California’s public school children still are not back in school.

With the necessary number of signatures to secure a recall of the California governor New Californians must Not stop. There are many officials at the county and state level who have violated their oaths of office to perpetuate the totalitarian edicts of the governor. The governor’s edicts have destroyed tens of thousands of small businesses, closed schools, destroyed families and increased the student suicide rate to over 147%. All this at the direction of the current socialist governor/dictator the mono-party system along with local officials who have followed a coordinated design with the intent to actively engage in “Acts of Insurrection” against the U.S. Constitution. This is **TREASON**.

**New Californians must Not stop with the recall of the governor. We must recall local officials who have followed the coordinated design with the intent to actively engage in “Acts of Insurrection” against the U.S. Constitution. It is *OUR Right, it is OUR Duty, to throw off such Government, and to provide new Guards for OUR future security.***

New Californians are experiencing the "failed state environment". We must not wait to "pick up the pieces", but rather position ourselves for what we know is coming.

California is headed for collapse as a state in just a few short months as its trajectory is now set in stone by a pusillanimous craven dictator who chooses to violate both federal and state laws while ignoring the “Original” Constitutional structure set forth by the Founding Fathers of the United States.

## **Insurrection**

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “Acts of Insurrection” against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

## **Acts of Secession**

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “Acts of Secession” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

## **Abdication of Authority**

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “Abdication of their Responsibilities of Authority and Sovereignty” over the Citizens of the United States living in California State.

## **Prayer**

**The Citizens of New California State Pray for the Military to exercise its authority under continuity of government and the Insurrection Act of 1807 to initiate the Military’s use of Martial Law and create the restored government of California as requested by New California State to end the tyranny being foisted upon the United States of America.**

**This concludes these proceedings.**
