Chapter II

Grievance 54

May 4, 2021

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

State of New California

Grievance 54

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government Violates the Following: United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

Section 3. *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

ORDER OF THE DAY NO SCHOOL YEAR 2&3

From the Epoch Times May 3, 2021

“Anita Dunn, a senior adviser to President Joe Biden, told CNN during an interview on Sunday that Biden is not certain schools can reopen full-time for in-person learning this fall because the pandemic is “unpredictable.”

“President Biden said in an interview that schools should probably all be open in the fall. Can you clarify?” CNN host Jake Tapper asked. Tapper also questioned Dunn if Biden would stand up to teachers’ unions if there was pushback about opening for full-time in-person learning.”

“Now, he said probably. He didn’t say absolutely,” Dunn said. “But, given the science, if the vaccination program in this country proceeds, if people do go get their vaccines, he does believe that schools should be able to reopen in September, and reopen safely, following the CDC guidelines. But he said probably. He said, did not say absolutely, because we have all seen this since, unfortunately, January of 2020. It’s an unpredictable virus.”

Biden just signaled to California’s governor there will be no bail out next year. You’re on your own. To the California Governor who thinks kids come last and China comes first, the schools will be closed for an additional year thus destroying another generation of California children.

Let’s be clear the real reason schools will not open for the 2021-2022 school year in California is there is no money to open to 100% capacity. The state’s financial picture indicates cash deficits are still expected to be over \$100 billion dollars for 2021-2022.

With no help for any additional funds coming from the federal government the schools are destined to sit idle for an additional year and perhaps be closed for the 2022-2023 school year.

Why should we open the schools when all they do is offer a propaganda anti-American curriculum, directed torture techniques of masking, social distancing and forced vaccines? We shouldn’t open under the state of California’s direction.

New California State believes kids come first and will not tolerate nor stand for another year of school closures.

New Californians are experiencing the "failed state environment". We must not wait to "pick up the pieces", but rather position ourselves for what we know is coming.

California is headed for collapse as a state in just a few short months as its trajectory is now set in stone by a pusillanimous craven dictator who chooses to violate both federal and state laws while ignoring the "Original" Constitutional structure set forth by the Founding Fathers of the United States.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in "Acts of Insurrection" against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in "Acts of Secession" and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of "Abdication of their Responsibilities of Authority and Sovereignty" over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the Military to exercise its **authority under continuity of government and the Insurrection Act of 1807 to initiate the Military's use of Martial Law** and create the restored government of California as requested by New California State **to end the tyranny being foisted upon the United States of America.**

This concludes these proceedings.
