

State of New California

NOTICE

TO ALL CALIFORNIANS!

Chapter II

Grievance 60

June 15, 2021

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

New California State is a new state in development forming from the State of California. New California State is exercising its God Given Rights as declared in the 1776 United States Declaration of Independence and as ratified in the 1789 United States Constitution under Article IV Section 3.

State of New California

Grievance 60

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government Violates the Following: United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

Section 3. *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

ORDER OF THE DAY

DEFEND LIBERTY

The human tragedy that is unfolding in California is a series of man-made disasters that are wreaking havoc on the lives of the United States Citizens living in California. Its no longer a secret the mono-party power monopoly which controls the state works hand in glove with communist China, but the party leaders are also steeped in the same Marxist ideology that is responsible for the deaths of untold millions and the ruin of nations. We appeal to Congress and our state legislature to let us go and be *liberated* to form our own state. We will no longer participate in the ongoing man-made disasters that are quickly adding up under the present dictatorship of a totalitarian governor, his party and foreign affiliates.

Its no longer considered a "conspiracy theory" that the CV-19 Virus was created in a communist Chinese laboratory. We knew this from the first reports, but were censored in our viewpoints by the "book-burning" and "goose-stepping" media allies that support the Marxists. Now, even they are FORCED to report the truth, because it can no longer be hidden. ***Shame on them.***

The economic crisis affecting California is just one of the man-made disasters we have had to suffer. Just as the present "pandemic" is being used to herd people into mandatory government-sponsored medical surveillance, there is a coming man-made famine that is presently being orchestrated with the intent to destroy free markets and funnel the masses into yet more mandatory government services. They've decided that if they cannot get the citizens to go voluntarily, they will force us into compliance with a host of their outrageous edicts and dictates, singling out and persecuting anyone who conscientiously objects to the tyranny.

History may not repeat, but it certainly rhymes. It is not difficult to predict our destination, when it is evident the mono-party Marxist traitors have steered the course of our state and our nation to supply chain destruction, man-made famine and disease, civil unrest, and government dependency.

The Marxists love mandatory government dependency because it gives them the support they cannot get through honest popular elections. It is how they perpetuate the socialist structures responsible for the destruction of the family, culture, schools, public safety, *freedom of religion, freedom of speech, freedom of the press, freedom to peacefully assemble and the right to redress of grievances.*

We, in New California State refuse to be herded into mandatory government programs that are intended for our subjugation. Constituents of the mono-party may enjoy being herded, but we, in New California State still consider ourselves American Citizens, with God-given, unalienable rights that we are not willing to forfeit for either convenience or necessity.

Previous and ongoing man-made disasters in the once-golden state include rampant fires, man-made droughts that occur in routine and predictable dry years, pollution of our ground water by government-mandated MTBE, homeless camps that are a blight on the nation, an exodus, and now famine and forced government dependency is in view.

We will not have it in New California. We are free Citizens. We are Americans, and we will defend our Liberty.

California's mono-party political machine, its socialist Governor, along with communist state legislators, socialist elected officials, agencies, and unelected regional governance boards, are colluding to create a pure totalitarian communist California state.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “*Acts of Insurrection*” against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United **States** federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “*Acts of Secession*” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “*Abdication of their Responsibilities of Authority and Sovereignty*” over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the Military to exercise its authority under continuity of government and the Insurrection Act of 1807 to initiate the Military’s use of Martial Law and create the restored government of California as requested by New California State to end the tyranny being foisted upon the United States of America.

This concludes these proceedings.
