Chapter II

Grievance 64

July 13, 2021

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

New California State is a new state in development forming from the State of California. New California State is exercising its God Given Rights as declared in the 1776 United States Declaration of Independence and as ratified in the 1789 United States Constitution under Article IV Section 3.

State of New California

Grievance 64

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government Violates the Following: United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

Section 3. *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

ORDER OF THE DAY STAY ARMED

THE AMERICAN PEOPLE HAVE NOT BEEN DISARMED IN 245 YEARS, SINCE OUR FOUNDING! - and we certainly will not allow it now. Demands for "gun control" are coming once again from the mono-party that controls California and which has taken over the United States through verifiably fraudulent elections.

GUN REGISTRATION MANDATES AND DISARMAMENT HAVE PRECEDED ALL GENOCIDES AND DEMOCIDES IN THE LAST CENTURY!

NEW CALIFORNIANS HOLD THE LINE IN THE DEFENSE OF LIBERTY, OUR CONSTITUTION AND OUR BILL OF RIGHTS. WE WON'T GIVE AN INCH TO TYRANTS AND PUPPETS OF FOREIGN GOVERNMENTS AND SUPRANATIONAL ORGANIZATIONS.

Dictatorial governors, mayors, unelected bureaucrats, and the usurper in the White House are all speaking the language of genocide and ethnic cleansing. We hear them loud and clear. They are intent upon implementing racial hygiene and racial purity laws and programs in the public schools and public institutions, **THE LIKES OF WHICH WE HAVE NOT SEEN SINCE NAZI GERMANY, who also used racial hygiene, racial purity, and racial selection laws to promote their political party and its corrupt ideologies.**

We won't have it in New California. We stand together, and we are not white, brown, black, or anything in between. The identity that unites us is not race, but an adherence to the timeless principles enshrined in our Declaration of Independence. **WE HOLD THESE TRUTHS TO BE SELF-EVIDENT - THAT ALL MEN ARE CREATED EQUAL.**

The mono-party dictatorship insists upon mandatory "vaccines" that contain gene-editing technologies that have the potential of being weaponized upon racial lines. Such technologies are far too dangerous to be allowed to a group of mono-party racial bigots and their racial purity doctrine, known as "*critical race theory*".

WHEN DEATHS FROM THE COVID "VACCINES" EXCEED THE FATALITIES FROM GUN VIOLENCE, IT IS OBVIOUS WE ARE THE SUBJECT OF AN ASSAULT UPON OUR LIVES AND LIBERTIES BY OUR OWN GOVERNMENT, which has now become a satellite state of communist China.

The California Governor and his associates have become the puppet government of communist China. **NEW CALIFORNIA IS THE ANSWER TO PRESERVING THE RIGHTS OF UNITED STATES CITIZENS LIVING IN CALIFORNIA.**

We will not be ruled by communist China, supranational corporations and groups, the United Nations, or any other foreign interests. We are New Californians, and we are Americans. We will also not "take a knee" to communist affinity groups, which are intent upon overthrowing the United States of America.

Collaborators, such as we have in California, will be held to account for their treasonous actions against the United States citizens living in New California.

California's mono-party political machine, its socialist Governor, along with communist state legislators, socialist elected officials, agencies, and unelected regional governance boards, are colluding to create a Pure Totalitarian Communist California state.

All of our Founding Fathers exemplified the spirit of *tenacity*. In the First Amendment, they secured a right to "petition the Government for a redress of grievances." *These words mean American citizens have a right not only to air their complaints but do so with the understanding that we demand action from the proper authorities.* The proper authority to petition will vary depending upon the grievance, but the *inalienable right of the citizen remains true regardless.*

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “*Acts of Insurrection*” against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United **States** federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “*Acts of Secession*” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “*Abdication of their Responsibilities of Authority and Sovereignty*” over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the Military to exercise its authority under continuity of government and the Insurrection Act of 1807 to initiate the Military’s use of Martial Law and create the restored government of California as requested by New California State to end the tyranny being foisted upon the United States of America.

This concludes these proceedings.
