# Grievance 68

### Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

### California State Government Violates the Following: United States Constitution Article IV Section 4

*"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."*

### United States Constitution Article VI

*This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.*

### First Amendment, United States Constitution

*"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."*

### Fourteenth Amendment, United States Constitution

**Section 3.** *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

# ORDER OF THE DAY

## NEWSOM AFFIDAVITS

At a recent New California State County meeting the invited guest was a County Clerk Recorder who informed the group that California counties were already “cleaning” the Dominion and other systems memories of the 2020 election data in preparation for the recall. When asked what they were doing with the data from the 2020 election the Clerk recorder stated all the information was being saved on disc drives. Disc drives that were being stored at the clerk’s office and at her home. Chain of custody is apparently no issue in the “*perfect*” California election system.

So the actual machines used in the 2020 general election will be used again in the upcoming recall on September 14, 2021 without any forensic audit. So perhaps we now know the real reason for the recall and why the rush to have the election on September 14, 2021 of the California governor is to cover up the *national* fraud that was perpetrated on November 3, 2020. Did we say rush? Yes, the California Secretary of State originally wanted to have the recall election August 10, 2021 but the county clerks “pushed back” and said they could not be ready by that time.

Interesting how the timelines were pushed forward for the recall considering the governor dictator can actually guarantee his governorship with an edict by utilizing his emergency powers to put the recall off until November of 2022.

So why the rush to have the recall and why is the graven dictator governor willing to be defeated when he does not have to suffer such an indignity? Simple, the walls are closing in on the “*perfect*” California election system that went nation-wide in 2020.

Maricopa county Arizona uses the same “*perfect*” election system as the 58 counties in California. What has been released from an audit conducted by the Arizona state Senate shows massive voter fraud in the November 3, 2020. Other states who have used California’s “*perfect*” system such as Georgia, Pennsylvania, Michigan, Wisconsin are in the process of conducting forensic audits where the fraud of the “*perfect*” system is being exposed.

But what really worries the corrupt government officials up and down the state of California are the New Californians. New Californians are not standing still they are taking back government and forming a new government. In 33 counties of New California State New Californians have armed themselves with affidavits and declarations to make criminal complaints against corrupt city, county and state elected officials and their bureaucrat minions. Literally thousands of affidavits as “*criminal complaints*” have been signed against corrupt California officials. Now there are investigations starting against these corrupt officials with the potential for felony charges being filed and the possibility of long term prison sentences.

Now the affidavit/declarations for Gavin Newsom have been published and are being signed all over New California State. New Californians want a guarantee that the criminal acts of Newsom are not forgotten in the “*perfect*” election fraud system.

# NEWSOM AFFIDAVITS SIGN ONE TODAY

An architecture of despotism and absolute tyranny and control over the people has been erected in California, by a dictatorship of a runaway governor and unelected officials, with an intent to deprive the people of life, liberty, and the pursuit of happiness.

**NEW CALIFORNIA STATE** is the answer to limiting the runaway power of a corrupt and irredeemable bureaucracy of tyranny, surveillance, oppression, and control by the moneyed interests of supranational corporations and Communist China.

**New Californians - STAND YOUR GROUND!**

## **Insurrection**

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “*Acts of Insurrection*” against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United **States** federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

## **Acts of Secession**

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “*Acts of Secession*” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

## **Abdication of Authority**

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “*Abdication of their Responsibilities of Authority and Sovereignty*” over the Citizens of the United States living in California State.

## **Prayer**

**The Citizens of New California State Pray for the Military to exercise its authority under continuity of government and the Insurrection Act of 1807 to initiate the Military’s use of Martial Law and create the restored government of California as requested by New California State to end the tyranny being foisted upon the United States of America.**

**This concludes these proceedings.**
