

State of New California

NOTICE

TO ALL CALIFORNIANS!

Chapter II

Grievance 7

June 9, 2020

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of

January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future security.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

Chapter II

Grievance 7

Declaration of Grievance

Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

Fourth Amendment of the United States Constitution

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

ORDER OF THE DAY

THE DICTATOR COMETH

The history of the current dictator of California is one characterized by betrayal, treasonous relationships with foreign agents who has associated himself with known designated terrorists and has even become an active participant in the effort to overthrow this state and this nation. After 25 years of denial by the California State legislature there are now desperate cries coming from the state capital for help.

California State Assemblyman Kevin Kiley in an op-ed had the courage to denounce the dictator since he usurped power March 4, 2020 in one of the nation's most outrageous power grabs utilizing emergency powers by declaring a state emergency to cope with the Covid-19 pandemic.

Kiley wrote:

“The nonpartisan Legislative Analyst sent lawmakers an urgent warning: Gavin Newsom’s budget is a power grab. The letter lists 13 separate ways the Governor is trying to “sideline legislative authority” and enlarge his own powers.

\$600 million to buy hotels for the homeless. \$130 million to remake Medi-Cal. Millions to buy a new State Park and millions more to close a Veterans’ Home. Unchecked power to regulate businesses and shut down courts. The Governor is also angling for total control over billions he hopes to get from Congress, the letter warns.

At the same time, he just signed Executive Order N-67-20, bypassing the Legislature to change several more laws for November’s election. This is his 41st Executive Order since declaring a State of Emergency. Perhaps hoping no one would notice, he posted the 40th Order at 8 PM last Friday night – a sweeping edict that changes several more laws and extends previous orders.

The Governor’s Executive Orders have now changed well over 200 California laws with the stroke of a pen. The decrees are not limited to the Health Code, spanning 17 different California codes: Civil, Civil Procedure, Businesses and Professions, Corporations, Elections, Family, Financial, Government, Labor, Penal, Public Resources, Revenue and Taxation, Unemployment Insurance, Vehicle, and Welfare and Institutions.

Yet the Governor, in another affront to the constitutional rules of engagement, refuses to even discuss limits on his extraordinary powers. When I introduced ACR 196 to restore checks and balances, he falsely accused me of “prematurely declaring an end to this ongoing crisis.”

The Legislature did fight back against one power grab, at least: rejecting Gov. Newsom’s unconstitutional scheme to raid \$131 million in protected Gas Tax revenue. We must now heed the warning of the Legislative Analyst and pass ACR 196 to cut off the Governor’s emergency powers.

Restoring a balance of power will defend our institution and the people of California against executive overreach”.

The op-ed is evidence provided by the impartial legislative analyst and the legislature that the governor has usurped all power and authorities from the legislative branch of government into the executive branch. This now means there are only two branches of government in the state; the executive and the judicial. The governor has now officially become a pusillanimous craven dictator of California. Mr. Kiley’s words are desperate cries for help that are too little and too late to save California. It is a failed state operating outside the authorities of the U.S. Constitution violating Articles IV, Section 4 and Article VI.

For New Californians it is our GOD given “***Right it is our Duty***” to protect our Declaration of Independence, our Constitution and our Bill of Rights with all means necessary from a craven dictator.

We request an audience with the President and the Congress of these United States to plead our plight and consider the remedy to these abuses by the establishment of the New California State.

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** and the **Emergency Economic Powers Act** are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness, insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 or the *Emergency Economic Powers Act* to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings.
