NOTICE

TO ALL CALIFORNIANS!

Grievance 21

June 12, 2018

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Article IV Section 3 United States Constitution states:

New States may be admitted by the Congress into this Union; but no new States shall be formed or erected within the [Jurisdiction](#) of any other State; nor any State be formed by the Junction of two or more States, or parts of States, without the Consent of the Legislatures of the States concerned as well as of the Congress.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States”.

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

So it is the history of the past and present Governor and Government of California who have a history of repeated injuries and usurpations, all having in direct Object the establishment of a Tyranny over the Counties of New California and the State of California.

Whenever any Form of Government becomes destructive of these ends, it is the Right of the People to seek a constitutional remedy to the abuse of powers”.

First Amendment of the United States Constitution states:

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances

Therefore the Counties of New California bring forward 40 Grievances against the government of California to be announced in public on Tuesday at 11:00 am each week for 40 weeks.

State of New California

Grievance 21

Statement of Facts

The people of California are suffering from a tyrannical communist state government which fails to provide a republican form of governance, enables and supports across it's southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America. All caused by a government of and for a mono party system lead by a tyrannical dictator.

Declaration of Grievance

United States Constitution Article IV Section 4 States in part:

The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.

Failure of the government of California to provide a republican form of government

The communist California governor, the communist mono party system working side by side with communist local election officials have created a state-wide fraudulent election system in which a one party system is guaranteed to control the state legislature, the state executive, the judicial systems and members of the United States Congress thus destroying the sovereignty of California.

The Communist state governor and the mono party system combined with rampant voter fraud at the local and state levels have created a structure of voter suppression that only benefits the tyrants and insures the implementation of a totalitarian California communist form of government.

The Communist governor and mono party system have destroyed the last vestiges of a republican form of government as guaranteed by Article IV Section 4 of the United States Constitution.

Millions of California Citizens went to vote but found they were removed from the voter rolls, the use of provisional ballots was ubiquitous, millions of ballots have gone uncounted from urban counties, the ballots of more than a million voters were missing from the count as the result of an “experimental” new system of all-mail voting. Under California law, ballots postmarked by election day and received within three days must be processed.

The Communist state governor and the mono party system utilized a government agency to expand their fraudulent election system. The department of motor vehicles removed voters from the rolls in a last minute program just one month before the election. The department of motor vehicles was also used to register illegal foreign nationals to vote after allowing them to get their drivers licenses.

The results of the June 5, 2018 California Primary Election provide the evidence of the state-wide fraudulent election system in which a one “mono” party system is guaranteed to control the state legislature, state executive and Congressional seats following the fraudulent “jungle primary” system. 41 legislative seats without Republicans on the ballot, NO Republican candidate for Lt. Governor, NO Republican Candidate for Insurance Commissioner, NO Republican candidate for Superintendent of Public Instruction. Out of 80 Assembly Districts, 25 will not have a Republican candidate on the ballot, out of 20 State Senate Districts on the ballot—six are without a Republican candidate. Of 53 congressional districts, 10 will not have a Republican.

NO REPUBLICAN CANDIDATE FOR U.S. SENATE FOR THE
SECOND STRAIGHT ELECTION.

Utilizing *Marxist-Leninist* and *Maoist revolutionary tactics* the communist California governor, mono party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California and breakdown the sovereignty of the Union of the United States of America.

Acts of Secession

Therefore the California communist government in conjunction with the communist state executive, instituted wherever the current communist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which gives Us our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting communist governor of California the mono party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

This concludes these proceedings.
