New California Declaration of Independence of

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future security.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

State of New California

Grievance 36

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government Violates the Following: United States Constitution Article IV Section 4

ORDER OF THE DAY

DOMESTIC ENEMIES

FACILITATE

FOREIGN CONQUEST

DOMESTIC ENEMIES FACILITATE FOREIGN CONQUEST AND SUBVERSION OF THE UNITED STATES through THE FORMER REPUBLIC OF CALIFORNIA.

It is no longer possible to sustain the FALSE NARRATIVE that California is a government of the People, by the People and for the People and that we have the rule of law here in the Golden State, or even that we have a republic. The California Republic no longer exists!

THE BATTLE LINES HAVE BEEN DRAWN and they are coming into sharper focus every day for the average United States Citizens living in California to see.

It is evident to every objective observer that hostilities exist between the People's Republic of China, controlled by the Chinese Communist Party, and the United States of America, and those United States Citizens residing in California, **their state has fallen to foreign control and allegiance at the highest levels of government.**

California's highest officials, supervisors, mayors, *elected* and *appointed* officials have **CLEARLY DEMONSTRATED OVER TIME A REFUSAL TO SUPPORT THE RULE OF LAW.** Now they have indelibly established their record of betrayal of their oaths of office and their loyalty to a government and a system of governance that is foreign and repugnant to the United States Constitution.

California's officials have earned the title of **DOMESTIC ENEMIES.**

They oppose the rule of law and at the same time they use the offices of public trust they occupy to slander and disaffect any Citizen whose allegiance is to the United States Constitution and the Bill of Rights.

These Domestic Enemies have aligned themselves with foreign interests, financial as well as ideological and are not fit to govern the United States Citizens living within the **territorial boundaries of the jurisdictions they control now by force of violence.**

By unquestioned authority and unanimous opinion, the subjection of Citizens to the rule of Domestic Enemies will not stand.

With AN URGENCY THAT IS NECESSITATED BY SELF-PRESERVATION AND THE DUTY TO SURVIVE SUCH HOSTILITIES FOR THE BENEFIT OF OUR POSTERITY, we petition the Congress and the Federal Government to utilize the Insurrection Act on our Behalf, as well as military tribunals, to assure us

that justice will be served and that We, the People will have protection against foreign influence, domestic violence, foreign interference and meddling, invasion, and the abuse of power by the public officials that have abused us for so long and that now threaten to subject us to a form of slavery that heretofore has not existed on this continent.

A state of war exists between We the People of the United States and foreign and domestic enemies who are engaged in attempting to overthrow our elections and control public opinion through media racketeering and conspiracy right here in California.

We, the People, are determined to stop the “one man rule” of a *pusillanimous* craven dictator whose words and actions are a grave danger to all U.S. Citizens living in California.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “Acts of Insurrection” against the U.S. Constitution.

The **Insurrection Act of 1807** and the **Emergency Economic Powers Act** are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “Acts of Secession” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “Abdication of their Responsibilities of Authority and Sovereignty” over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings.
