New California Declaration of Independence of

January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

Declaration of Grievance

Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI Section 2

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

“UNITED STATES CITIZENSHIP” IS NOW OUTLAWED

United States Citizenship is now outlawed in California. California's tyrannical governor the mono-party government along with their associates at the county and city levels are engaging in mass citizenship “outlawing”. California is the most lawless and tyrannical government of any state in the Union of States and denies U.S. Citizens

their Constitutional Rights under Article IV, Section 4 and Article VI, Section 2 of the U.S. Constitution.

Article IV, Section 4 is known as the “Guarantee Clause” of the U.S. Constitution. The State and Federal Governments MUST provide to the Citizens of the United States the three elements of Article IV, Section 4.

1. Republican form of government: 2. Protect each of them against invasion: 3. Protection against domestic violence:

Article VI, Section 2 Supremacy Clause is the Article in the U.S. Constitution that binds the Union of States together it is:

The supreme Law of the Land:

Now the newly inaugurated tyrannical 40th California governor has decided to make United States Citizenship obsolete in the state of California. Nothing was more emblematic of the removal of United States Citizenship from the Citizens of California than the blatant exclusion of its Citizens from the 2019 inauguration of the governor.

Citizens were **NOT** allowed to attend the or even see the inauguration of the governor who was hidden from view by a white tent.

Only the political elites of the capital and friends of the governor were allowed to be in the tent to view the swearing in of the new governor. Protected by thugs dressed in black suits, law enforcement, fencing, barriers and snipers the inauguration took place in cloistered privacy far away from the eyes of the United States Citizens living in California.

In his inaugural speech the tyrannical governor stated “***Our government will be progressive, principled, and always on the side of the people.***” Given what the world saw during his inauguration it is hard to believe the tyrant will “side” with United States Citizens living in California.

Dubbed the “**PEOPLE’S INAUGURATION**” it was painfully obvious the tyrant California governor was referring to the vicious criminals, illegal foreign nationals, rapists, terrorists, murders, humans smugglers, drug cartels and invaders of the United States who he will protect through the unconstitutional sanctuary state policies.

Worse yet the new tyrant California governor will spend billions of tax dollars to entice and enable the invasion of the United States of America by illegal foreign nationals.

“California is the national leader if not the world in encouraging and financing the illegal foreign national invasion of the southern border of California. In 2017 California spent \$27 billion on illegal foreign nationals who came into the United States. These illegal foreign nationals were then granted rights and privileges reserved for American Citizens”. From Grievance NCS 49

Insurrection

The government of California, the current governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in *acts of insurrection* against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Illegal Acts and Tactics

Utilizing *Marxist-Leninist* and *Maoist revolutionary tactics* the California governor, mono-party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California and breakdown the sovereignty of the Union of States of America.

Acts of Secession

Therefore the California government in conjunction with the communist state executive, instituted wherever the current communist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting communist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings. *newcaliforniastate.com* (877) 828 2753
