“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future security.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

Grievance 81

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

2nd Amendment to the United States Constitution

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

ORDER OF THE DAY

OPEN LAWLESSNESS IN CALIFORNIA

California's mono-party political machine, its socialist Governor, along with communist state legislators, socialist elected officials, agencies, and unelected regional governance boards, are colluding to create a Communist California state in direct violation of both Article IV, Section 4, Article VI and the 2nd Amendment of the United States Constitution.

A California Highway Patrol officer is dead and two other CHP officers were wounded before fatally shooting a suspect in a gun battle in Riverside Monday, August 12, 2019. The suspect was driving a pickup when a lone CHP officer pulled him over. Police are investigating why the man was stopped in the first place, but the officer determined he needed to impound the truck. The officer had called for a tow truck and was filling out paperwork when the man went back into his pickup and pulled out a rifle, The driver opened fire on the officer and struck him, but the officer was still able to radio for backup.

The gunman immediately engaged two officers who were both struck. The gun battle continued between a fourth CHP officer and about four other law enforcement officials until the suspect was fatally wounded. The man died at the scene. The Riverside Police Chief described it as "long and horrific gun battle."

The socialist California governor stated; *"Our hearts ache over the tragic lossour deepest condolences to his (the officers) family, friends, and fellow officers who are grieving tonight"*.

The reality check for the California communist state legislature and the socialist governor is that the level of ever increasing violence in the state is of their own design. By legislating new laws, regulations, changing the California constitution that encourages lawlessness and pandering to criminal cartels over the last 20 years they've created a society where violence is ripe.

California's communist state legislature and the socialist governor have been sowing the seeds of their own downfall. Now their seeds planted amongst the United States Citizens living in California are growing and will soon reach fruition.

California's trajectory toward totalitarianism is now being revealed. The race is now on to not just save California as a member state in the Union of States known as the United States of America but the race is on to save the United States of America and the 50 states that form the Union of States itself.

New California State movement stands in the breach to save the Union of States known as the United States of America.

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities of authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings.
