

The State of New California

The President of the United States of America
President Donald J. Trump
1600 Pennsylvania Avenue
Washington DC 20500

January 26, 2019

Mr. President:

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution. Forty Seven New California State County Committees have been formed with the expressed purpose to create the State of New California. When New California is formed it will have a population of rural New California Citizens of over 18 million.

New Californians believe we're currently living in a tyranny and want to live in a State that respects the "rule of law", and protects our liberty and independence as guaranteed in Article IV, Section Four and protected by Article VI, Section Two of the United States Constitution.

"We the People" are working to take back the power from the centralized government in Sacramento using the guidance provided in the United States Declaration of Independence, the Constitution and the Bill of Rights.

On January 15, 2018 the Counties of New California declared their Independence from the state of California. On July 21, 2018 New California State delegates convened their first constitutional convention and then again delegates met on October 5-6, 2018 to convene their second constitutional convention. For the third time on January 26, 2019, delegates from New California State gathered to construct the state's constitution and conduct legislation designed to create the 51st state of the Union New California State.

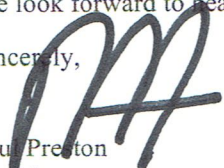

During the January 26, 2019 legislative session the New California State Assembly and Senate passed three "Joint Resolutions" related to Article IV, Section Four and Article VI, Section Two of the United States Constitution New California Joint Resolutions 19-01, 19-02 and 19-03. These three resolutions address urgent concerns regarding maintaining our republican form of government, freedom from invasion and protection against domestic violence. Attached to this letter are New California Joint Resolutions 19-01, 19-02 and 19-03.

Mr. President we believe the Union of States we call the United States of America is at risk by the actions of California State.

New Californians are committed to form a new state from California utilizing Article IV, Section Three of the United States Constitution as a solution to the current rein of tyranny being foisted upon United States Citizens living in California state.

We look forward to hearing from you soon.

Sincerely,

Paul Preston
President
New California State

JOINT RESOLUTION NO. 19-01**

**RESOLUTION OF DECLARATION OF THE NEW CALIFORNIA STATE
ARTICLE IV, SEC. 4, REPUBLICAN FORM OF GOVERNMENT**

WHEREAS, citizens of New California are determined to live under a state government in the United States of America under the Constitution of the United States of America; and

WHEREAS, citizens of New California have decided to exercise their right to form a new state as provided for in United States Constitution under Article IV Sections 3 and Section 4 as a remedy for the abuse of power by the government of California; and

WHEREAS, the citizens of New California declared their Independence on January 15, 2018, and

WHEREAS, the Declaration of Independence states: *“Whenever any form of government becomes destructive it is the right of the people to alter or abolish it, and to institute new government. And when a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.*

WHEREAS, the California state government is in direct violation of the United States Constitution, Article IV, Section 4. *“The United States shall guarantee to every state in this union a republican form of government and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.*

WHEREAS, Article IV, Section 4, known as the “Guarantee Clause” of the United States Constitution, mandates state and federal governments provide citizens of the United States with 1) a republican form of government; 2) protection against invasion; and 3) protection against domestic violence.

WHEREAS, the history of the past and present Governor and Government of California have a history of repeated injuries and usurpations, all having in direct objective of the establishment of a tyranny over the Counties of New California and the State of California; and

WHEREAS, the communist California governor, the communist mono-party system working side by side with communist local election officials have created a state-wide fraudulent election system in which a one-party system is guaranteed to control the state legislature, the state executive, the judicial systems and members of the United States Congress thus destroying the sovereignty of California.

WHEREAS, the Communist state governor and the mono-party system combined with rampant voter fraud at the local and state levels have created a structure of voter suppression that only benefits the tyrants and insures the implementation of a totalitarian California communist form of government.

WHEREAS, the results of the June 5, 2018 California Primary Election provided the evidence of the state-wide fraudulent election system in which a one “mono” party system is guaranteed to control the state legislature, state executive and Congressional seats following the fraudulent “jungle primary” system. There were forty one (41) legislative seats without Republicans on the ballot, NO Republican candidate for Lt. Governor, NO Republican Candidate for Insurance Commissioner, NO Republican candidate for Superintendent of Public Instruction. Out of 80 Assembly Districts, 25 did not have a Republican candidate on the ballot. Out of 20 State Senate Districts on the ballot—six were without a Republican candidate. Of 53 congressional districts, 10 did not have a Republican and there were NO Republican candidates for the U.S. Senate for the second straight election.

WHEREAS, utilizing Marxist-Leninist and Maoist revolutionary tactics, the communist California governor, mono-party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California and breakdown the sovereignty of the Union of the United States of America.

WHEREAS, Betrayal by the governor of California, the mono-party legislature and local elected officials is evidence of abdication of their responsibilities of authority and sovereignty over the State and Citizens of the United States living in California; and

WHEREAS, arbitrary laws and arbitrary law enforcement is one of the hallmarks of tyrannical government;

WHEREAS, the California Republic operates with direct hostility to the Whig ideals of liberty that once made California the greatest state in the Union; and

WHEREAS, the California Republic now actively works against the principles of liberty through its departments, in its schools, and in arbitrary, selective enforcement of laws; and

WHEREAS, the combined soviet-styles regionalism and rise of the bureaucratic establishment have opened the door to unprecedented levels of corruption; and

WHEREAS, the California Republic now is openly hostile to the idea of government of, by, and for the people, in its repeated attempts to disenfranchise citizens and destroy both the state and Federal Republic through foreign influence; and

WHEREAS, The California Republic has violated the terms of joining the Federal Whig Republic and abandoned the form of government that was a condition for it to enter the federal union.

WHEREAS, the totalitarian governance system has created a reign of terror on United States Citizens living in California with the intent to secede from the United States of America and thus destroy the very Union of States which gives us our liberty and freedom.

WHEREAS, the actions of the California Republic contradict the tenants of both the original formation of the Bear Flag Republic and its eventual joining of the Federal Republic under many of the same auspices; and

WHEREAS, the federal government has reneged on its obligation under Article IV, Section Four of the United States to guarantee to every State in this Union a republican form of government; and

WHEREAS, we as the citizens of New California State pray the President of these United States of America exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon United States citizens living in California.

NOW THEREFORE, BE IT RESOLVED, we as the citizens of New California State, having observed the takeover and corruption of our once proud republic, give a clarion warning to the other states of the union that the old California Republic has been the experimental laboratory for what the enemies of liberty seek to export to other states for the destruction of the republican forms of government they hate.
